National Labor Relations Board,1978 **The New Orleans Sisters of the Holy Family** Edward T. Brett,2012-04-15 The Sisters of the Holy Family founded in New Orleans in 1842 were the first African American Catholics to serve as missionaries This story of their little known missionary efforts in Belize from 1898 to 2008 builds upon their already distinguished work through the Archdiocese of New Orleans of teaching slaves and free people of color caring for orphans and the elderly and tending to the poor and needy Utilizing previously unpublished archival documents along with extensive personal correspondence and interviews Edward T Brett has produced a fascinating account of the 110 year mission of the Sisters of the Holy Family to the Garifuna people of Belize Brett discusses the foundation and growth of the struggling order in New Orleans up to the sisters decision in 1898 to accept a teaching commitment in the Stann Creek District of what was then British Honduras The early history of the British Honduras mission concentrates especially on Mother Austin Jones the superior responsible for expanding the order s work into the mission field In examining the Belizean mission from the eve of the Second Vatican Council through the post Vatican II years Brett sensitively chronicles the sisters efforts to conform to the spirit of the council and describes the creative innovations that the Holy Family community introduced into the Belizean educational system In the final chapter he looks at the congregation s efforts to sustain its missionary work in the face of the shortage of new religious vocations Brett s study is more than just a chronicle of the Holy Family Sisters accomplishments in Belize He treats the issues of racism and gender discrimination that the African American congregation encountered both within the church and in society demonstrating how the sisters survived and even thrived by learning how to skillfully negotiate with the white dominant power structure **The Sisters of Sinai** Janet Soskice,2009-08-18 Agnes and Margaret Smith were not your typical Victorian scholars or adventurers Female middle aged and without university degrees or formal language training the twin sisters nevertheless made one of the most important scriptural discoveries of their time the earliest known copy of the Gospels in ancient Syriac the language that Jesus spoke In an era when most Westerners male or female feared to tread in the Middle East they slept in tents and endured temperamental camels unscrupulous dragomen and suspicious monks to become unsung heroines in the continuing effort to discover the Bible as originally written **My Double Life; The Memoirs of Sarah Bernhardt, In Two Volumes** Sarah Bernhardt,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage [America](#) ,1925 The Jesuit review of faith and culture Nov 13 2017 **Katharine Drexel and the Sisters Who Shared Her Vision** McGuinness, Margaret M.,2023 Although Katharine Drexel has been the subject of several

biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress's individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel's father The author's careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel's ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America **Our Young People**, 1912 *We Agreed to be Different* Annemiek van der Veen, Dolly Verhoeven, 2005

Library Notes and News, 1928 **An Eight-day Retreat Intended Principally for the Sisters of Mercy and the Active Orders** Richard Baptist O'Brien, 1868 **For the People** James D. Cameron, 1996-02-19 Basing his research on documentary and oral sources Cameron describes the early nineteenth century migration of the Highland Catholic Scots the settlement and development of their communities and the founding of St F X as a means of religious economic and social advancement in eastern Nova Scotia Among broad developments in administration faculty students curriculum finances and facilities the formation of the Extension Department Xavier Junior College now University College of Cape Breton and the Coady International Institute stand out as pivotal events in the history of St F X and demonstrate its attunement to the changing needs of its constituency The move to broaden the curriculum by including extension education and the promotion of various forms of economic cooperation to stimulate development in regional and international communities exemplify the unifying theme of for the people which is at St F X's foundational core For the People presents an engaging account of the fascinating personalities who administered and staffed the institution its successes and failures during the nineteenth century and its expansion and progress in the twentieth century The title of this institutional biography appropriately captures the spirit of St Francis Xavier and its commitment to community service **Blood Sisters** Sarah Gristwood, 2014-03-04 A gem of a book enlivened by incisive analysis exquisite detail and an elegant and witty style Alison Weir The Wars of the Roses which tore apart the ruling Plantagenet family in fifteenth century England was truly a domestic drama as fraught and intimate as any family feud before or since But as acclaimed historian Sarah Gristwood reveals while the events of this turbulent time are usually described in terms of the men who fought and died seeking the throne a handful of powerful women would prove just as decisive as their kinfolks clashing armies A richly drawn absorbing epic Blood Sisters reveals how women helped to end the Wars of the Roses paving the way for the Tudor age and the creation of modern England **Living in God's Providence: History of the Congregation of Divine Providence of San Antonio, Texas, 1943-2000** Mary Christine Morkovsky, CDP, 2009-06-29 In 1943 the bell attached to a rope on both floors of a plain box like

convent in Houston Texas rang at 5 a m The nine Sisters of Divine Providence stationed at the grade school arose reciting aloud the traditional prayer that began Live Jesus in my heart My God I give you my heart Mercifully deign to receive it and grant that no creature shall possess it but Thou alone Continuing to pray aloud for five more minutes the Sisters who shared small bedrooms began to dress All had developed in their novitiate a rhythm for this process which launched each day in a uniform way Over 20 items of dress had to be donned in a certain order Before Morning Prayer at 5 25 in the small chapel on the first floor the Sisters also stripped their single beds flipped the thin mattresses and replaced the bed linens trying not to invade a companion s limited space Usually it was still dark outside when they started to recite morning prayers unique to the Congregation This was followed by chanting in Latin on one tone Matins Lauds Prime Tierce Sext and None from the Little Office of the Blessed Virgin Mary Then the superior read aloud some points for reflection and the Sisters meditated in silence for half an hour This was the first time of the day they had some relatively unstructured time and they sometimes experienced distractions Perhaps they planned how to teach something better or recalled problematic students At 6 30 one of the parish priests offered Mass which was followed by breakfast The Sisters ate in silence while one of them read passages from the Imitation of Christ By 8 a m they were leading their pupils across the playground to the children s daily Mass in the parish church In sharp contrast in 1990 Sister Mary Walter Gutowski CDP one of two Sisters living in a small apartment was the administrator of Our Lady of Guadalupe clinic for low income Latinos and African Americans in Rosenberg Texas Sister Walter who was credited with having delivered more than 3 000 babies under difficult rural circumstances once remarked When someone knocks at my door in the middle of the night I get dressed in two minutes flat because I never know what will be waiting for me outside 1 What explains this dramatic change of style and ritual in the routines of Catholic Sisters living in mission houses How did the Sisters move from cloisters to apartments How did the rigid routines of the nine Sisters of 1943 transmute into the singular and unstructured life of Sister Mary Walter What are the connections between the bell that rang at five in the morning and the one that sounded at any hour This history examines the period of 1943 to 2000 an era during which the Sisters of Divine Providence redefined their perspective and practices within the context of a changing American Catholic church It demonstrates that the Sisters were well situated to embrace the shifting demands of religious mission because their very heritage was grounded in ongoing transformations Those transformations were played out on a highly charged stage of oppression concerning multi racial relationships one that further prepared the Sisters for the intense dynamics of modern church life When the Sisters celebrated in 1966 the centennial of their arrival in Texas they were staffing their own college high schools and numerous grammar schools in several states as well as hospitals clinics and neighborhood centers They had incorporated a group of women from Mexico and encouraged the independence of a new Providence congregation in the U S Responding to Vatican encouragement after the second Vatican Council they began experiments to update structures and customs so as minister more effectively The most visible were in the areas of

community living and governance and were accompanied by greater collegiality subsidiarity variety in prayer **Library Association Record** Library Association,1912 Proceedings of the 22d 33d annual conference of the Library Association in v 1 12 proceedings of the 34th 44th 47th 57th annual conference issued as a supplement to v 13 23 new ser v 3 ser 4 v 1
