## **Sisters And Strangers An Introduction To Contemporary Feminist Fiction:**

Sisters and Strangers Patricia Duncker, 1992-01 Since 1970 the women's movement has produced a rich and varied harvest of feminist fiction. This book introduces the reader to these writers and to the politics and polemic that inform their work.

*Contemporary Women's Writing* Maroula Joannou, 2000 This wide-ranging study provides a historically grounded account of women's fiction in the 1960s and the 1970s relating changes in the social structure of Britain and the United States to the literary representations of women's experience.

*Negotiating Identities* Helen Grice, 2002-10-11 *Negotiating Identities* is a study of the development of writing by Asian American women in the 20th century with particular emphasis on the successful late 20th century writers such as Maxine Hong Kingston, Amy Tan, Joy Kogawa, Bharati Mukherjee and Gish Jen. It relates the development of Asian writing by women in America with a comparative element incorporating Britain to a series of theoretical preoccupations: the mother-daughter dyad, biracialism, ethnic histories, citizenship, genre and the idea of home.

**Diasporic (dis)locations** Brinda J. Mehta, 2004 Indo-Caribbean women writers are virtually invisible in the literary landscape because of cultural and social inhibitions and literary chauvinism. Until recently the richness and particularities of the experiences of these writers in the field of literature and literary studies were compromised by stereotypical representations of the Indo-Caribbean women that were narrated from a purely masculine or an Afrocentric point of view. This book fills an important gap in an important but underestimated emergent field. The book explores how cultural traditions and female modes of opposition to patriarchal control were transplanted from India and rearticulated in the Indo-Caribbean diaspora to determine whether the idea of cultural continuity is in fact a postcolonial reality or a fictionalized myth. *kala pani* to Trinidad and Guyana provided courage, determination, self-reliance and sexual independence to their literary granddaughters who in turn used the *kala pani* as the necessary language and frame of reference to position Indo-Caribbean female subjectivity with equating writing as a public declaration of one's identity and right to claim creative agency. The book is of critical interest to those interested in twentieth-century literary studies, Caribbean studies, gender studies, ethnic studies and cultural studies.

*Feminism and Women's Writing* Catherine Riley, 2018-02-09 Explores the transformative reign of the Catholic King James VII and the revolution that brought about his fall.

**Gendering the Nation** Christopher Whyte, 2019-08-08 Too often seen as a ghost from the past, nationalism has resurfaced as a major factor in European politics and culture. A powerful commitment to national autonomy has marked Scottish writing throughout the twentieth century. How has the emergence of new voices from feminist, gay and lesbian critics transformed that commitment? How critical and pluralistic can the new nationalisms be? This collection serves notice that the tradition is being read in new and disruptive ways. Five women and four men examine the relationship between gender and nationality, how male and female authors portray women, the treatment of sexuality in Scottish writing, the construction of Scottish masculinity and its relation to class and homophobia. Covering modern fiction and theatre, poetry, film and television, it is a provocative reassessment of the

has dominated writings about desire between women since the late nineteenth century how a woman's life is turned upside down by the realization that she desires another woman whether she comes to terms with this discovery privately comes out of the closet or is publicly outed She shows how this narrative pattern has remained popular and how it has taken many forms in the works of George Moore Radclyffe Hall Patricia Highsmith and Rita Mae Brown from case history style stories and dramas in and out of the courtroom to schoolgirl love stories and rebellious picaresques A revelation of a centuries old literary tradition brilliant amusing and until now deliberately overlooked *The Lesbian Heresy* Sheila Jeffreys, 1993
