## **Sisu Even Through A Stone Wall:**

Sisu, "Even Through a Stone Wall" Oskari Tokoi, 2018-12-01 Originally published in 1957 *Sisu Even Through a Stone Wall* is the English language edition of the memoirs of the Social Democratic premier of Finland of 1917 Oskari Tokoi Included are his account of events in Helsinki and Russo Finnish relations during 1917 the Finnish civil war and the little known story of the Finnish Legion's role in the Allied intervention in North Russia *sisu* something that surpasses fearlessness and extraordinary endurance a kind of inner fire or superhuman nerve force courage tenacity stubborn determination energy and a will and an ability to get things done The record is now before us and it constitutes in my opinion an inspiring revelation of Finnish *sisu* It took real bravery for a young country lad of eighteen to emigrate to the New World in 1891 and to toil long hours in the eerie half darkness of Wyoming and Colorado mines disdainful of the large chunks of rock and ore hanging overhead which seemed to warn Beware Someday we'll fall and bury you John I Kolehmainen **The Nordic Art of Sisu** Justyn Barnes, 2020-02-25 Often translated as resilience or perseverance the Finnish concept of *sisu* is about never giving up even when a task is seemingly impossible Considered a hot topic of popular psychology *sisu* is regarded as having a positive impact on mental health At the heart of *sisu* is the idea of getting back up from failures whether that be losing a job or the end of a relationship and having the courage to use that experience to further oneself Running a marathon and feel like you've hit a wall Got a business idea but too scared to try it Channelling *sisu* can be the key to overcoming both mental and physical blocks Although a Finnish concept this book explains how anyone can embrace *sisu* and channel their inner courage to make the most of any situation **Sisu** Oskari Tokoi, 1957-01-01 *Sibelius* Glenda Dawn Goss, 2009-12-15 One of the twentieth century's greatest composers Jean Sibelius 1865-1957 virtually stopped writing music during the last thirty years of his life Recasting his mysterious musical silence and his undeniably influential life against the backdrop of Finland's national awakening *Sibelius* will be the definitive biography of this creative legend for many years to come Glenda Dawn Goss begins her sweeping narrative in the Finland of Sibelius's youth which remained under Russian control for the first five decades of his life Focusing on previously unexamined events Goss explores the composer's formative experiences as a Russian subject and a member of the Swedish speaking Finnish minority She goes on to trace Sibelius's relationships with his creative contemporaries with whom he worked to usher in a golden age of music and art that would endow Finns with a sense of pride in their heritage and encourage their hopes for the possibilities of nationhood Skillfully evoking this artistic climate in which Sibelius emerged as a leader Goss creates a dazzling portrait of the painting sculpture literature and music it inspired To solve the deepest riddles of Sibelius's life work and enigmatic silence Goss contends we must understand the awakening in which he played so great a role Situating this national creative tide in the context of Nordic and European cultural currents *Sibelius* dramatically deepens our knowledge of a misunderstood musical giant and an important chapter in the intellectual history of Europe *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The

Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

**A Nation of Immigrants** Franca Iacovetta, Paula Draper, Robert Ventresca, 2017-06-22. This collection brings together a wide array of writings on Canadian immigrant history, including many highly regarded influential essays. Though most of the chapters have been previously published, the editors have also commissioned original contributions on understudied topics in the field. The readings highlight the social history of immigrants, their pre-migration traditions, as well as migration strategies and Canadian experiences, their work and family worlds, and their political, cultural, and community lives. They explore the public display of ethnic religious rituals, race riots, and union protests, the quasi-private worlds of all-male boarding houses and of female domestics toiling in isolated workplaces, and the intrusive power that government and even well-intentioned social reformers have wielded over immigrants deemed dangerous or otherwise in need of supervision. Organized partly chronologically and largely by theme, the topical sections will offer students a glimpse into Canada's complex immigrant past. In order to facilitate classroom discussion, each section contains an introduction that contextualizes the readings and raises some questions for debate. *A Nation of Immigrants* will be useful both in specialized courses in Canadian immigration history and in courses on broader themes in Canadian history.

Constructivism, Narrative and Foreign Policy Analysis Christopher S. Browning, 2008. Building on constructivist approaches to international relations, this book develops a narrative theory of identity, action, and foreign policy, which is then applied to account for the evolution of Finnish foreign policy. The book adopts an innovative approach by showing how foreign policy orientations need to be seen as grounded in overlapping and competing sets of identity narratives that reappear in different forms through history. By emphasising the dynamism implicit within identity narratives, the book not only challenges traditional rationalist, materialist approaches to foreign policy analysis but also the current tendency to depict the story of Finnish foreign policy identity and history as one of a gradual move towards a Western location. Rather, the book emphasises elements of multiplicity and contingency whilst re-establishing foreign policy as a highly political process concerned with power and the right to define reality and national subjectivity.

**Adventure Psychology** Paula Reid, Eric Brymer, 2022-12-23. In recent years, a new set of psychological principles has emerged from research investigating adventure and adventurous activities. Adventure involves a special type of physical activity in natural contexts where participants

voluntarily participate in experiences where the environment and activity are challenging perhaps dangerous and potentially life threatening To go on an adventure is to participate in an enduring event requiring sustainable effort where effective performance is measured not only by success but also by survival This book brings together the emerging literature in Adventure Psychology that supports enduring performance and wellbeing The first section examines sustaining performance and wellbeing The second section studies the transformative aspect of adventure Adventure Psychology is of use in everyday life and the techniques and understandings can help people and business prepare for the future This book will help us all thrive despite adversity volatility and uncertainty Written for researchers this book will also be useful for trainers educators and students of sport performance and organisational psychology as well as adventurers and endurance athletes Adventure Psychology is designed to meet the needs of specialists across a variety of fields but importantly also to be accessible and applicable for those wanting to live life fully to realise our full potential

**Historical Dictionary of Finland** Titus Hjelm, George Maude, 2021-08-15 Finland was part of Sweden until 1809 it then became a Grand Duchy of the Russian Empire until it declared its independence on December 6 1917 From these humble beginnings Finland has emerged as an important player in the European Union and the world Historical Dictionary of Finland Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Finland

*Labor in Finland* Carl Erik Knoellinger, 1960 Finland s precarious proximity to Russia makes this small country a unique and revealing study in contemporary social and economic patterns The author demonstrates that in spite of Finland s deep rooted cultural kinship with Scandinavia new factors often political in nature have affected the development of society very differently in each of these countries One of the most decisive differences as his book makes clear is the position of the Communist party in Finnish politics In this first English book on the Finnish situation Carl Erik Knoellinger makes perceptive analyses of detailed data on the varied aspects of his subject

The Workers' Revolt in Canada, 1917-1925 Craig Heron, 1998-01-01 A clear concise portrait of one of the most dramatic moments in the history of working class life and class relations generally in Canada the upsurge of working class protest at the end of the First World War

*A Short History of Finland* Fred Singleton, 1998-10 Finland has often been ignored or misunderstood by the English speaking world and this work presents the reader with a readable and authoritative introduction to the life of the Finns and the position of their country in the modern world The book explains how a small nation placed in an unfavorable geopolitical situation won its independence and eventually achieved a high material standard of living together with an enviable degree of social and political stability by adapting itself to the realities of life in an unpromising environment Copyright Libri GmbH All rights reserved

*Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917)* Eric Blanc, 2021-06-29

This groundbreaking study rediscovers the socialists of Tsarist Russia's imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc's groundbreaking new book **Rethinking Revolutions from 1905 to 1934** Stefan Berger, Klaus Weinbauer, 2022-12-13 This edited collection offers a timely and original perspective on the many upheavals and revolutions that broke out across the world during the early twentieth century With previous research tending to confine revolutions within national borders this book sets out to place them within a broader global sphere of thought and action The authors explore the time phase between the Russian Revolution of 1905 and the Asturian Revolution of 1934 including cases from South Africa Australia China the Middle East and Latin America Providing insights from leading scholars in the field this collection highlights the interconnectedness and transnationalism of upheavals and revolutions offering a new approach which integrates political social and cultural history Chapter 8 is available open access under a Creative Commons Attribution 4.0 International License via [Link springer.com](https://link.springer.com) **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1957 *Gentle Power* Emilia Elisabet Lahti, 2023-01-24 A manual for the evolution of everyday leadership based on the Finnish science of *sisu* from a leading researcher and teacher on the topic Power is fundamental in our lives we express it in every conversation relationship and choice we make All too often we equate force and domination with power while gentleness and compassion are considered soft or weak The destructive nature of this skewed perspective has never been more obvious yet there is reason to hope With *Gentle Power* Dr Emilia Elisabet Lahti shares an illuminating guide to an emerging shift in the way we define true strength an approach that balances resolve with reason grit with compassion and personal success with service to the collective good Lahti uses the concept of *sisu* a central philosophy native to Finland as the foundation for her investigation of gentle power At its best she says *sisu* is a harmonious approach to life itself specifically in how we make decisions relate to one another and navigate times of crisis and peace Drawing from *sisu* as well as aikido Taoism neuroscience systems intelligence and more she shares an evidence based approach to help you transform the way you manifest power Join her to explore *Sisu* its history its shadow and the rising global interest in this profound philosophy Leadership and power why toxic myths of power persist and how we can dismantle them The paradox of gentleness how inner resilience and true influence arise from vulnerability empathy and love Self care why gentle power

begins with the way we treat ourselves To understand power is to realize that leadership is not just for some selected minority we are all leaders whose choices impact those around us Each of us can play a vital role in the collective transformation that the world is calling for Lahti writes It all starts in our own heart in our own gentle power Here you ll discover a path of wisdom resilience and compassionate strength that will elevate your life and uplift others to take part in a new revolution of human empowerment     **East Europe** ,1972     The Publishers' Trade List Annual ,1983     **The Opposite of Cold** Michael Nordskog, Aaron W. Hautala, David Salmela,     **Three Generations** Marvin Rintala,1962
