Situation Colby Agency Internal Affairs:

Situation: Out of Control and Full Exposure Debra Webb, 2011-01-01 From one of Debra Webb's most beloved miniseries the Colby Agency come two classic stories that will take you from the Colorado mountains to the gritty streets of Chicago. **Situation Out of Control** Heath Murphy's assignment was supposed to be simple: Get close to Jayne Stephens and set the trap for her father Howard, a notorious criminal trying to destroy the Colby Agency. But when the beautiful and elemental conditions of the Colorado mountains force Heath and Jayne together, he finds himself breaking the cardinal rule: don't get involved with the target. Can he accomplish his mission without betraying her and still save her life? **Full Exposure** Angel Parker was a victim. She'd been forced by Howard Stephens to help him infiltrate the Colby Agency or else her son would suffer the consequences. But Cole Danes, special investigator for the agency, isn't interested in her excuses. All he wants is to bring Stephens down, and he's quite prepared to use Angel to get to him. But he's not prepared for the effect she and her young son have on him when they are secluded together. Can he protect them and still get justice? **John Doe on Her Doorstep** Debra Webb, 2010-07-17 A woman seeking answers to her father's murder turns to an amnesiac stranger with special powers in this romantic suspense from a USA Today bestseller. Dr. Dani Archer's orderly life had become complete chaos. First her father mysteriously died, then a sexy stranger with no memory appeared on her doorstep. Complicating matters, someone was trying to kill her. Like an avenging angel, the John Doe became her very own personal protector, displaying instincts and performing feats almost superhuman. And now the key to her safety lay in unraveling the long buried secrets of the past to solve her father's death. Only suddenly it seemed the greatest danger of all was surrendering to an all-consuming desire. **Full Exposure** Debra Webb, 2010-07-01 Specialist Cole Danes's investigation revealed the unthinkable: a trusted longtime personal assistant to Victoria Colby had been the source leaking highly sensitive information that could have resulted in the agency's destruction. But it soon became clear that a secondary party was the real culprit. Single mom Angel Parker was being manipulated and controlled by a sinister mercenary driven to destroy the Colby Agency using any means necessary. Only that was about to stop: dead Cole was determined to complete his mission, and he needed Angel to accomplish that end. But he didn't expect to need Angel. He had every intention of being as ruthless as his adversaries and using Angel as his pawn, but spending time in seclusion with her wore away his emotional armor. Now he was more concerned with protection than retribution, which could prove fatal for them both. *Situation: Out of Control* Debra Webb, 2004 As the snow swirled in the remote Colorado mountains, Heath and Jayne had become unlikely partners and lovers. But who would be left standing once dawn broke? **Executive Bodyguard** Debra Webb, 2010-07-01 Her husband returns from the dead with superhuman strength. Second in the series featuring operatives who have been made smarter, stronger, and sexier. Caroline Winters, the first woman elected president, knew her term wouldn't be easy. Then months into her office, her husband tragically died in a plane crash, and she began receiving bone-chilling phone calls. Now suddenly Justin Winters had returned.

And when the threats on her life began like an executive bodyguard Justin performed feats of superhuman skill to protect her And as the danger escalated around them it seemed less daunting than facing the feelings provoked by the tender touch of the stranger with her husband's face **Justice** Debra Webb,2010-07-17 Her best friend's killer was dead and so was Kayla Ryan's best lead to find her friend's missing child But the determined police lieutenant didn't have it in her to give up Now she would join forces with a secretive detective to find the people who'd sent the assassin and bring them to justice Her life and all those she loved depended on exposing a chilling conspiracy And she couldn't shake the feeling that someone was watching her every move Could the enemy be closer than Kayla had ever suspected **Urban Sensation** Debra Webb,2010-07-17

Detective Rowen O'Connor never expected she'd come face to face with Evan Hunter the enigmatic man who'd broken her heart years ago especially not while working a murder investigation that left the city of Boston overrun with panic With no clues and a string of strange sinister killings suddenly Rowen became a madman's next target And it was crystal clear she and Evan had become pawns in a very deadly game Now with only each other to trust Evan and Rowen had to overcome danger and their long buried desire before their chances for a future were destroyed forever **Staying Alive** Debra Webb,2007 A selfless act of bravery had propelled Seattle schoolteacher Claire Grant into the center of a terrorist manhunt Now catching him depends on her and her ability to play the deadly revenge game the terrorist is plotting One wrong move and she'll die And so will an innocent Her best chance for staying alive is charismatic FBI agent Luke Krueger a man with his own agenda Separate Claire and Luke are pawns But together can they uncover the terrorist's weakness and stop the madman once and for all **Silent Weapon** Debra Webb,2010-05-14 My teaching career ended and my fiancé walked out I survived and learned to lip read I grew very good at it Maybe too good So here I am two years later starting my new life as a cold case file clerk turned undercover agent for the police My task Infiltrate the mansion of a ruthless crime boss and read his deadly plans off his lips My contact to the outside world Detective Steven Barlow a tough cop who's convinced I'm on a suicide mission And in a way he's right because if I'm caught I'll be dead without ever hearing the bad guys coming **A Father's Duty** Joanna Wayne,2004 PROTECTING HIS OWN The last thing this hard boiled Confidential operative wanted was to become entangled with junior prosecutor Georgette Delacroix but he'd reached a dead end in his frantic search for his kidnapped daughter So the clairvoyant Cajun beauty was Tanner Harrison's only recourse When Georgette's disturbing visions of his daughter intensified Tanner stumbled upon the key to finally shutting down the slimy crime network his top secret agency had been pursuing for months As Crescent City's paralyzing heat wave unleashed Tanner and Georgette's smoldering attraction they breathl
