Six Modernist Moments in Poetry David Young, 2006 Along with the four poems written in English the two non English poems are presented and discussed in Young's own translations He describes the provenance of each of the six poems puts it in the context of its time and the poet's career and surrounds it with references to other poems that are quoted generously In this way each poem is not only fully explicated but also presented as a kind of preeminent example representing other poems of its type Combining close reading with contextual discussion this book is a significant contribution to the fields of poetry and modernism **BOOK JACKET**

paragraph that situates us in place time and circumstance What emerges is a portrait of a modest yet great artist an ordinary man moving and adjusting as he must in troubled times while creating a startling timeless body of work Du Fu wrote poems that engaged his contemporaries and widened the path of the lyric poet As his society one of the world s great civilizations slipped from a golden age into chaos he wrote of the uncertain course of empire the misfortunes and pleasures of his own family the hard lives of ordinary people the changing seasons and the lives of creatures who shared his environment As the poet chases chickens around the yard observes tear streaks on his wife s cheek or receives a gift of some shallots from a neighbor Young s rendering brings Du Fu s voice naturally and elegantly to life I sing what comes to me in ways both old and modern my only audience right now nearby bushes and trees elegant houses stand in an elegant row too many if my heart turns to ashes then that s all right with me from *Meandering River* **Black Lab** David Young,2009-03-04 David Young the distinguished poet and translator offers us a gorgeous cycle of poems attuned to the Midwestern seasons to weather both emotional and actual A writer of thrilling invention and humanity Young beckons the reader into an effortless proximity with the fox at the field s edge with the chattering crow and the startling first daffodils of spring In his tour of both exterior and interior landscapes the poet scatters his father s ashes and remembers losing his wife Chloe to cancer a loss at times still fresh after several decades pays homage to the wisdom of the Chinese masters whose aesthetic has helped shape his own and reflects on the gladdening qualities of a walk in a snowstorm with his black labrador Nemo and in this snowfall that I should detest late March and early April I m still rapt to see his coat so constellated starred re starred making a comic cosmos I can love Young s expert shaping of this world in which as he writes We re never going to get God right But we learn to love all our failures on the way becomes for the reader a fresh experience of life s mysterious goodness and of the abundant pleasure of the language that embodies it **William Carlos Williams, Frank O'Hara, and the New York Art Scene** Paul R. Cappucci,2010 To explore the depth of the literary connection between William Carlos Williams and Frank O Hara particularly in relation to their American roots this book examines their distinct responses to Abstract Expressionism or the New York School artists Although an outsider to this movement Williams paid attention to its increasing popularity and ultimately valued its importance in the progression of American art As an insider O Hara functioned as a vital critic and promoter of this group Foremost among the artists discussed here are Jackson Pollock Robert Mother well and David Smith Examining Williams s and O Hara s verse in light of these artists provides readers with a unique vantage point for understanding their appeal to these avant garde poets as well as for appreciating this moment in American art history It reveals a unique amalgamation of ideas about art and poetry that redefined creativity in mid twentieth century America

effort to pass off patently absurd works as great art These assertions common in the time s journalism are used to understand the aesthetic and context which spawned them and to look at what followed in their wake Fraud discourse ventured into the aesthetic theory of the time to ideas of artistic sincerity formalism and the intentional fallacy In doing so it profoundly shaped the modern canon and its justifying principles Modernist Fraud explores a wide range of materials It draws on reviews and newspaper accounts of art scandals such as the 1913 Armory Show the 1910 and 1912 Postimpressionist shows and Tender Buttons to daily syndicated columns to parodies and doggerel to actual hoaxes such as Spectra and Disumbrationism to the literary criticism of Edith Sitwell to the trial of Brancusi s Bird in Space and to the contents of the magazine Blind Man including a defense of Duchamp s Fountain a poem by Bill Brown and the works of and an interview with the bafflingly unstable painter Louis Eilshemius In turning to these materials the book reevaluates how modernism interacted with the public and describes how a new aesthetic begins not as a triumphant explosion that initiates irrevocable changes but as an uncertain muddling and struggle with ideology
