[Sixty Nine] Ways to Start a Study Group and Keep it Growing... Lawrence O.. Richards, 1974 Making Disciples
Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **Getting the Church On Target** Lloyd Perry, 1981-05-26 Tools and advice for assessing your church These are dangerous days for the organized church It is time to be alert to what is taking place and make some changes So writes Lloyd Perry in his introduction to Getting the Church on Target Dr Perry then goes on to outline ways the local church can be revitalized His concerns are reflected in chapter titles such as Having God s Man in God s Place for Ministry Clarifying Purposes Goals and Objectives Systematizing Church Management Training for Leadership Mobilizing the Laity Managing Conflict Creatively Establishing Small Groups for Ministry Expanding the Outreach of the Church Updating Our Worship The final chapter includes five sample self evaluation surveys to help a church assess its problems and progress **Church Educational Ministries** , 1992 Church Educational Ministries More Than Sunday School provides a panorama of the educational ministries of the local church It presents the uniqueness strength and structure of each aspect of a church s educational ministry and is an excellent resource for those wanting an overview of Christian education in the local church Schools or churches offering an introductory course in Christian education will find this a helpful text This course is part of the Association s Church Ministries Certificate Program An Instructional Resource Package IRP is available for those wishing to teach this course These materials include a copy of the text instructor s guide with reproducible handouts overhead transparency masters and a Learning Resources Cassette Tape The Instructional Reaource Package is available at Christian
