Sixty One The Team The Record The Men:

Sixty-one Tony Kubek,Terry Pluto,1987-01-01 *Sixty-One in '61* Robert M. Gorman,2019-11-13 Much has been written about Roger Maris and the historic summer of 1961 when he broke Babe Ruth s single season home run record yet little is known about the pitchers on the other side of the tale One of the many knocks against Maris was that he faced inferior pitching in an American League watered down by expansion from eight to 10 teams But was that really the case Did Maris face has beens and never weres while Ruth confronted the cream of AL pitching Who were these starters and relievers and how good were they Drawing on first hand accounts interviews and a range of contemporary sources this study covers each of Maris 63 home runs that season including the lost one and his game winning World Series dinger Biographies of each of his 48 victims cover the pitcher s career pitching style and the circumstances of the game Maris faced some really fine pitching that summer despite what many contended then and now 62 Bryan Hoch,2024-03-19 The definitive story Tyler Kepner The New York Times baseball columnist of Yankees slugger Aaron Judge s incredible unparalleled run to break Roger Maris s home run record and the franchise both men called home Aaron Judge the hulking superman who carried an easy aw shucks demeanor from small town California to stardom in the Big Apple had long established his place as one of baseball s most intimidating power hitters Baseballs frequently rocketed off his bat like cannon fire dispatching heat seeking missiles toward the Judge s Chambers seating area in right field sending delirious fans scattering for souvenirs But even in a high tech universe where computers measure each swing to the nth degree Roger Maris s American League mark of sixty one home runs seemed largely out of reach It had been more than a decade since baseball wiped clean the stains of its performance enhanced era in which cartoonish sluggers Mark McGwire Sammy Sosa and Barry Bonds made a mockery of the record book Given a more level playing field against pitchers sporting hellacious arsenals unlike anything Babe Ruth or Maris could have imagined only an exceptional talent could even consider making a run at sixty one homers Judge who placed the bet of his life by turning down a 213 5 million extension on the eve of the regular season promised to rise to the challenge In the most thorough telling yet of an all time great Yankees performance Jeff Passan New York Times bestselling author veteran Yankees beat reporter Bryan Hoch unravels the remarkable journey of Judge s run to shatter Maris s beloved sixty one year old record In depth inspiring and with an expert s insight 62 also investigates the more significant questions raised in a season unlike any other including how and where Judge will deliver his encore American History through American Sports Bob Batchelor,Danielle Sarver Coombs,2012-12-18 Filled with insightful analysis and compelling arguments this book considers the influence of sports on popular culture and spotlights the fascinating ways in which sports culture and American culture intersect This collection blends historical and popular culture perspectives in its analysis of the development of sports and sports figures throughout American history American History through American Sports From Colonial Lacrosse to Extreme Sports is unique in that it focuses on how each sport has transformed and influenced society at large demonstrating

how sports and popular culture are intrinsically entwined and the ways they both reflect larger societal transformations The essays in the book are wide ranging covering topics of interest for sports fans who enjoy the NFL and NASCAR as well as those who like tennis and watching the Olympics Many topics feature information about specific sports icons and favorite heroes Additionally many of the topics treatments prompt engagement by purposely challenging the reader to either agree or disagree with the author s analysis *The publishers weekly* ,1987 **The NFL's 60-Minute Men** Chris Willis,2024-03-15

In 2019 the NFL celebrated its 100th season During that historic year the league selected an All Time Team of 100 former star players Among them were seven from before football s free substitution rule 1920 1945 two way players who were skilled at both offense and defense They were Sammy Baugh Quarterback Dutch Clark Running Back Dan Fortmann Guard Mel Hein Center Cal Hubbard Tackle Don Hutson Wide Receiver and Bill Hewitt Defensive End There were more than just seven great players from those years when men in leather helmets played multiple positions on dirt fields for modest salaries

This book ranks the NFL s top two way players with detailed biographies and analysis by their contemporaries **Delta Upsilon Quarterly** ,1909 *Purple, Green and Gold* ,1929 *Hearts' Greatest Ever Season 1957-58* Mike

Buckle,2007-10-19 This is the new updated paperback edition In the proud history of Heart of Midlothian football club one season stands out as their finest ever Now fifty years on from that memorable 1957 58 campaign which brought the League Championship to Gorgie read the full inside story of how they did it and what it meant to the fans It was without question the golden age of the club when players like Alfie Conn Sr Willie Bauld Jimmy Wardhaugh Dave Mackay and Alex Young left Rangers and Celtic trailing in their wake scored a record number of goals in a season and won the League Championship by a huge margin In Hearts Greatest Ever Season lifelong supporter Mike Buckle brings the whole remarkable story to life and details how after sixty one years without a championship win the club finally achieved their goal For Hearts fans who remember those heady days this is an apt and nostalgic reminder of the times For younger fans who have lived through the rollercoaster years of the Wallace Mercer era the Deans and Robinson ownership the threats of the club being wound up and the Romanov revolution which has promised so much but failed to deliver Hearts Greatest Ever Season offers the hope that history might one day be repeated and that the dream of the League title returning to Gorgie could become reality once again *The California Monthly* ,1919 *Norfolk and Western Magazine* ,1960 **Seventh Regiment Gazette** ,1903

The Bystander ,1905 *Brick* ,1919 **Engineering News-record** ,1895 **George Weiss** Burton A. Boxerman,Benita W. Boxerman,2016-07-21 The New York Yankees were the strongest team in the majors from 1948 through 1960 capturing the American League Pennant 10 times and winning seven World Championships The average fan when asked who made the team so dominant will mention Joe DiMaggio Yogi Berra Whitey Ford or Mickey Mantle Some will insist manager Casey Stengel was the key But pundits at the time and respected historians today consider the shy often taciturn George Martin Weiss the real genius behind the Yankees success Weiss loved baseball but lacked the ability to play He made

up for it with the savvy to run a team better than his competitors He spent more than 50 years in the game including nearly 30 with the Yankees Before becoming their general manager he created their superlative farm system that supplied the club with talented players When the Yankees retired him at 67 the newly franchised New York Mets immediately hired him to build their team This book is the first definitive biography of Weiss a Hall of Famer hailed for contributing as much to baseball as any man the game could ever know *The Lumber World* ,1909 **Focus On: 100 Most Popular United States Men's National Basketball Team Players** Wikipedia contributors, **Cultivator and Country Gentleman** ,1920
