Assessing Service Quality Peter Hernon, Ellen Altman, 2010-01-19 This classic book is brought fully up to date as Hernon and Altman integrate the use of technology into the customer experience They offer solid practical ideas for developing a customer service plan that meets the library's customer focused mission vision and goals challenging librarians to think about customer service in new ways

A Paradigm of Care Robert Stake, Merel Visse, 2021-01-01 Remember the pots hammered by spoons from high Manhattan windows and parades of cars and pick up trucks holding dear the medical professionals responding to covid 19 This book is part of that chorus that march to express appreciation for the giving of care And beyond doctors and nurses bless their hearts to mothers caring for their babies for captains for their teams for the soon to be widowers for their wives and teachers for their students but also for the ranchers for their cattle and the contemplative world for our environment This is a book to think more closely of the support for care individual as it so often will be to be woven more closely together in a paradigm of care Care is always prominent Care for others of the family care for those of the tribe care for animals and homes and gardens and properties self care And the purse Even without teaching compensation or legislation care survives but even with these helpings it falls short of the need We live in a crisis of care Thinking explicitly and beyond health care There is no mechanism of state and conscience that delivers care to all the venues of need and seldom in the amounts needed The reservoirs of care are far from empty but at a mark that needs topping up There is need for care advocacy a care ethic a paradigm This book is about that paradigm A care paradigm may bring comfort and recovery more fully to the people and organic creations of the world The paradigm hears the moan of indifference It draws upon the eyes of the heart The paradigm is about how we see the need for care The care paradigm the grand beholding is manifest in how we provide for others how we nurture them give succor how we are disposed and are not to sacrifice to relieve their hurt It is not only caring for those visibly needing care unable to care for themselves but caring for all It is having a disposition that the hurts large and small that all of us carry arouse concern and appreciation from and for each individual the community and the

 1911 *Evaluation of Health Care Quality in Advanced Practice Nursing* Joanne V. Hickey,Christine A. Brosnan,2012-02-28
 Named a 2013 Doody s Core Title This is a wonderful resource that fills a true gap in the literature This is a topic that needs
 more exposure and more emphasis in the field of advanced practice nursing The value of evaluation in healthcare quality will
 be seen in the outcomes of healthcare improvements Score 100 5 Stars Doody s Medical Reviews High level evaluation skills
 reflecting national standards and benchmarks are becoming increasingly important in our changing health care climate This
 is the only nursing textbook to lay the foundation for APNs to achieve the highest possible competency in conducting
 systematic and in depth evaluations of all aspects of health care Comprehensive in scope it distills current best practice
 information from numerous sources to create a thorough and reliable resource for APN and DNP graduates The text
 addresses both the theoretical basis of evaluation and its application as an integral part of contemporary practice It provides
 an overview of evaluation science and critically examines the characteristics sources and quality of the nature of evidence
 Several frameworks are described to provide the reader with different evaluation models including those of economic
 evaluation The text covers in detail the evaluation of organizations systems and standards for practice including information
 systems and patient care technology the redesign of health care in accordance with patient family centered models and the
 challenges of the current trend toward electronic medical records Also addressed is the evaluation of populations and health
 care teams including characteristics risk factors and determinants as well as the emphasis on interdisciplinary collaborative
 health teams Additionally the text covers translating outcomes from evaluation into health care policy and opportunities for
 advocacy and leadership among APNs Key Features Provides comprehensive coverage of evaluation of patient population
 systems health team and health care information systems technology outcomes Presents best practices and evidence based
 practices that stress use in practice Uses case studies to illustrate application of evaluation in each practice area Stresses the
 importance of clear terminology in evaluation and provides definitions of relevant terms **World War II and American**
Racial Politics Steven White,2019-07-11 World War II played an important role in the trajectory of race and American
 political development but the War s effects were much more complex than many assume Steven White offers an extensive
 analysis of rarely utilized survey data and archival evidence to assess white racial attitudes and the executive branch
 response to civil rights advocacy He finds that contrary to conventional wisdom the white mass public s racial policy attitudes
 largely did not liberalize during the war against Nazi Germany In this context advocates turned their attention to the
 possibility of unilateral action by the president emphasizing a wartime civil rights agenda focused on discrimination in the
 defense industry and segregation in the military This book offers a reinterpretation of this critical period in American
 political development as well as implications for the theoretical relationship between war and the inclusion of marginalized
