Reader Comments Reviews: If this book were required reading for our schools we would have far fewer discontented and disrespectful children. Linda Doucet LA: What a lovely painting of Haiti from the words of an islander, the author offers a colorful new picture of the people and especially their views of outsiders. This small book explores real wealth, freedom, gracious conduct and racial harmony. You'll wish you were one of them. Norma Richards LA: I was immersed in the stories as if I were a character present and watching the action unfold. Great masterpiece.
