G. Sam,2011   Distance Education and Distributed Learning Gene V Glass,Charalambos Vrasidas,2002-12-01   *What Happened To Advertising? What Would Gossage Do?* Massimo Moruzzi,2015-03-21 Why don t people in advertising like their jobs anymore What is all this nonsense about branding campaigns interactive advertising or the suddenly so important conversations between a brand of butter and consumers Do branding campaigns make any sense If not why are they so popular What happened to the Creative Revolution What has display advertising aka banner ads on the web become if not the reign of large scale low quality direct response What about our current obsession with social media Do consumers really want to have conversations with brands What is the real value of a Facebook fan What are social networks if not private enclosures of the web and advertising platforms Lastly who was Howard Luck Gossage and why should we study his work and his words What did Gossage understand and put in practice in the 60s that could be valuable to us today Were he around today What Would Gossage Do   *Mousepads, Shoe Leather, and Hope* Zephyr Teachout,Thomas Streeter,2015-12-03 Howard Dean s campaign for president changed the way in which campaigns are run today With an unlikely collection of highly talented and motivated staffers drawn from a variety of backgrounds the Dean campaign transformed the way in which money was raised and supporters galvanized by using the Internet Surprisingly many of the campaign staff members were neither computer whizzes nor practiced political operatives even though that is how some of them are identified today This book allows key individuals in the campaign the chance to tell their stories with an eye to documenting the Internet campaign revolution and providing lessons to future campaigns Howard Dean s inspirational statement of what it took for his campaign to get as far as it did mousepads shoe leather and hope holds great wisdom for anyone campaigning today especially the 2008 presidential candidates   **Organic Community (ēmersion: Emergent Village resources for communities of faith)** Joseph R. Myers,2007-05-01 Community is a fundamental life search and one of the key aspects people look for in a congregation But community can t be forced controlled or easily created The problem says Joseph R Myers is that churches are too focused on developing programs instead of concentrating on environments where community will spontaneously emerge Organic Community challenges key leaders to become environmentalists people who create or shape environments Outlining nine organizational tools for creating a healthy environment Myers shows readers how to diagnose their current situation and implement patterns that will develop possibilities for healthy communities   *The Social Fact* John P. Wihbey,2019-04-23 How the structure of news information and knowledge is evolving and how news media can foster social connection While the public believes that journalism remains crucial for democracy there is a general sense that the news media are performing this role poorly In The Social Fact John Wihbey makes the case that journalism can better serve democracy by focusing on ways of fostering social connection Wihbey explores how the structure of news information and knowledge and their flow through society are changing and he considers ways in which news media can demonstrate the highest possible societal value in the context of these changes Wihbey examines network science as well as the interplay

between information and communications technologies ICTs and the structure of knowledge in society He discusses the underlying patterns that characterize our increasingly networked world of information with its viral phenomena and whiplash inducing trends its extremes and surprises How can the traditional media world be reconciled with the world of social peer to peer platforms crowdsourcing and user generated content Wihbey outlines a synthesis for news producers and advocates innovation in approach form and purpose The Social Fact provides a valuable framework for doing audience engaged media work of many kinds in our networked hybrid media environment It will be of interest to all those concerned about the future of news and public affairs   Emerging Technologies for Semantic Work Environments: Techniques, Methods, and Applications Rech, Jörg,Decker, Björn,Ras, Eric,2008-06-30 Today s work is characterized by a high degree of innovation and thus demands a thorough overview of relevant knowledge in the world and in organizations Semantic Work Environments support the work of the user by collecting knowledge about needs and providing processed and improved knowledge to be integrated into work Emerging Technologies for Semantic Work Environments Techniques Methods and Applications describes an overview of the emerging field of Semantic Work Environments by combining various research studies and underlining the similarities between different processes issues and approaches in order to provide the reader with techniques methods and applications of the study   Performing Digital David Carlin,Laurene Vaughan,2016-03-03 Digital technologies have transformed archives in every area of their form and function and as technologies mature so does their capacity to change our understanding and experience of material and performative cultural production There has been an exponential explosion in the production and consumption of video online and yet there is a scarcity of knowledge and cases about video and the digital archive This book seeks to address that through the lens of the project Circus Oz Living Archive This project provides the case study foundation for the articulation of the issues challenges and possibilities that the design and development of digital archives afford Drawn from eight different disciplines and professions the authors explore what it means to embrace the possibilities of digital technologies to transform contemporary cultural institutions and their archives into new methods of performance representation and history
