*The First Women Lawyers* Mary Jane Mossman, 2006-05-31 This comparative study explores the lives of some of the women who first initiated challenges to male exclusivity in the legal professions in the late nineteenth and early twentieth centuries Their challenges took place at a time of considerable optimism about progressive societal change including new and expanding opportunities for women as well as a variety of proposals for reforming law legal education and standards of legal professionalism By situating women's claims for admission to the bar within this reformist context in different jurisdictions the study examines the intersection of historical ideas about gender and about legal professionalism at the turn of the twentieth century In exploring these systemic issues the study also provides detailed examinations of the lives of some of the first women lawyers in six jurisdictions the United States Canada Britain New Zealand and Australia India and western Europe In exploring how individual women adopted different legal arguments in litigated cases or devised particular strategies to overcome barriers to professional work the study assesses how shifting and contested ideas about gender and about legal professionalism shaped women's opportunities and choices as well as both support for and opposition to their claims As a comparative study of the first women lawyers in several different jurisdictions the book reveals how a number of quite different women engaged with ideas of gender and legal professionalism at the turn of the twentieth century

*Southern First Ladies* Katherine A. S. Sibley, 2021-01-20 *Southern First Ladies* explores the ways in which geographical and cultural backgrounds molded a group of influential first ladies The contributors to this volume use the lens of Southernness to define and better understand the cultural attributes characteristics actions and activism of seventeen first ladies from Martha Washington to Laura Bush The first ladies defined in this volume as Southern were either all born in the South specifically the former states of the Confederacy or their slaveholding neighbors like Missouri or else lived in those states for a significant portion of their adult lives women like Julia Tyler Hillary Clinton and Barbara Bush Southern climes indelibly shaped these women and in turn a number of enduring White House traditions Along with the standards of proper behavior and ceremonial customs and hospitality demanded by notions of Southern white womanhood some of which they

successfully resisted or subverted early first ladies including Martha Washington Dolley Madison Julia Tyler and Sarah Polk were also shaped by racially based societal and cultural constraints typical of the eighteenth and nineteenth centuries some of which have persisted to the present day The first nine women in this volume from Martha Washington to Julia Grant all enslaved others during their lives inside or outside the White House Among the seven first ladies in the book's last section Ellen Wilson for example was profoundly influenced by the reformist ethos of the Progressive Era and set an example for activism that five of her Southern successors Lady Bird Johnson Rosalynn Carter Barbara Bush Hillary Clinton and Laura Bush all emulated By contrast Ellen's immediate successor in the White House Edith Wilson enthusiastically celebrated the Lost Cause Southern First Ladies is the first volume to comprehensively emphasize the significance of Southernness and a Southern background in the history and work of first ladies and Southernness long standing influence for the development of this position in the White House as well as outside of it

Smart Women: The Search for America's Historic All-Women Study Clubs Ann Dodds Costello, 2015-09-02 Hiding in plain sight throughout America are historic highly private women's self education groups These clubs are fascinating survivors from an era following the Civil War when women couldn't apply to most colleges and were told they shouldn't leave the home In their earliest days the study groups also contributed to the welfare of their towns often by helping to found their town's first library and served to get women out of the house and into the world Today's all women study clubs have no civic component but still fashion their meetings as their founding great grandmothers did with members taking turns giving original papers In Smart Women author Ann Dodds Costello discusses her four year quest to locate often visit and describe today's 100 year old all women study clubs all over America even though they do not publicize and have no central organization or knowledge of each other Included an invaluable first ever directory of most of the book's ninety plus clubs
