Jackie M. Blount

Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher:

Socrates, Plato, & Guys Like Me Eric E. Rofes,1985 **The Teacher in American Society** Eugene F. Provenzo,2011
Through a wide range of readings this anthology explores the role of teachers in the United States **The Work of Teachers in America** Rosetta Marantz Cohen,Samuel Scheer,2013-10-11 This volume presents a complex portrait of the American teacher through a fascinating range of story narratives including fictional short stories poetry diaries letters ethnographies and autobiographies Through these stories the volume traces the evolution of the teacher and the profession over the course of two centuries from the late 1700s to the late 1900s In depicting the profession over time the authors include stories by and about both male and female teachers as well as teachers from a wide range of cultural and ethnic backgrounds including white black Hispanic Asian American immigrant and native born and gay and straight This book offers accessible comprehensive introductions to both the central ideas associated with each period and to the representative individual stories that are included within it The volume editors connect each of the parts to earlier and later ones by tracing evolving themes of feminization teacher activism conceptions of curriculum and discipline and issues of multiculturalism Questions suggested readings and activities are offered at the end of each section Photographs and drawings retrieved from state historical archives provide telling images of the teacher in each of the four periods **Fit to Teach** Jackie M. Blount,2006-07-03 Examines the construction of gender in public school employment *Growing Up Gay in the South* James Sears,2014-03-18 This groundbreaking new book weaves personal portraits of lesbian and gay Southerners with interdisciplinary commentary about the impact of culture race and gender on the development of sexual identity *Growing Up Gay in the South* is an important book that focuses on the distinct features of Southern life It will enrich your understanding of the unique pressures faced by gay men and lesbians in this region the pervasiveness of fundamental religious beliefs the acceptance of racial gender and class community boundaries the importance of family name and family honor the unbending view of appropriate childhood behaviors and the intensity of adolescent culture You will learn what it is like to grow up gay in the South as these Southern lesbians and gay men candidly share their attitudes and feelings about themselves their families their schooling and their search for a sexual identity These insightful biographies illustrate the diversity of persons who identify themselves as gay or lesbian and depict the range of prejudice and problems they have encountered as sexual rebels Not just a simple compilation of coming out stories this landmark volume is a human testament to the process of social questioning in the search for psychological wholeness examining the personal and social significance of acquiring a lesbian or gay identity within the Southern culture *Growing Up Gay in the South* combines intriguing personal biographies with the extensive use of scholarship from lesbian and gay studies Southern history and literature and educational thought and practice These features together with an extensive bibliography and appendices of data make this essential reading for educators and other professionals working with gay and lesbian youth *Getting Ready for Benjamin* Rita M.

Kissen,2002-10-23 This book argues that issues of sexual diversity are inextricably interwoven into the basic concerns of pre service teacher education How do we make our students aware of assumptions regarding masculinity femininity and sexuality that arise from what is presented represented or omitted from curricula and classroom practice What do we say about homophobia and heterosexism as we anticipate the administrative hierarchies school cultures parent and community politics they will encounter as teachers What special challenges might face a teacher straight or gay who discusses sexual orientation in a high school classroom or responds to a homophobic remark in the hallway or the cafeteria How should we prepare a teacher for a parent conference with two moms or two dads The essays in this volume range from an analysis of gay stereotypes in teacher education textbooks to a discussion of queer multiculturalism to personal accounts by lesbian and gay teacher educators and heterosexual allies who are challenging homophobia and heterosexism in their own classrooms and programs All agree that education for sexual diversity is as important as education about all other forms of difference and that future teachers need to know how to create safe spaces for lesbian and gay students along with the children of gay families who are increasingly a part of the classroom landscape

Training Professionals Who Work With Gays and Lesbians in Educational and Workplace Settings Hilda Besner,Charlotte I. Spungin,2013-08-21 This manual was written for trainers both in the private and public sectors who are responsible for educating employees about gay and lesbian issues that directly or indirectly affect organizations in educational or workplace settings There are compelling reasons for addressing gay and lesbian issues in educational and workplace settings Many gays and lesbians are victims of prejudice discrimination and violent behavior that is motivated by fear misinformation and or lack of knowledge Unsafe environments in the educational and workplace environments can have negative effects on the productivity and creativity of personnel and interpersonal relationships

Understanding Homosexuality, Changing Schools Arthur Lipkin,2018-02-12 BRINGING TOGETHER thirteen topics related to homosexuality and education Understanding Homosexuality Changing Schools provides a foundation in gay lesbian studies and offers models for equity inclusion and school reform It is designed to help educators policymakers and the public understand the significance of gay and lesbian issues in education aid communication between gay lesbian students and their families and schools facilitate the integration of gay and lesbian families into the school community and promote the inclusion of gay and lesbian curricula in a range of disciplines It also seeks to promote the healthy development of all students through reducing bigotry self hatred and violence This volume makes the gay lesbian bisexual and transgender experience part of a democratic multicultural vision

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes,2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music

fleshed out with signposts to more comprehensive research. It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods. This book will be of interest to students of sociology. **A**

Radical Rethinking of Sexuality and Schooling Eric E. Rofes, 2005. A Radical Rethinking of Sexuality and Schooling: Status Quo or Status Queer offers a startling and original critique of unexamined assumptions and liberal notions about sexuality and education in the United States. Professor and long time community activist Eric Rofes argues that liberal approaches to gay issues and public schooling are inherently doomed to fail and that a radical approach is needed that addresses core issues of power in education in a meaningful way. Tackling issues ranging from anti gay harassment in school to children's literature on gay themes, gender performances of teachers to HIV education, graduate school programs in education to gay men's sexual cultures, Rofes presents a compelling argument for the creation of a second generation of activism focused on queer schools and education, one that truly empowers young people and educators and one that has the potential to truly transform power relations in our nation. *Not Alone* Jason Mayernick, 2023-12-15. Between 1970 and 1985, lesbian, gay, and bisexual LGB educators publicly left their classroom closets, formed communities, and began advocating for a place of openness and safety for LGB people in America's schools. They fought for protection and representation in the National Education Association and American Federation of Teachers, as well as building community and advocacy in major gay and lesbian teacher organizations in New York, Los Angeles, and Northern California. In so doing, LGB teachers went from being a profoundly demonized and silenced population that suffered as symbolically emblematic of the harmful bad teacher to being an organized community of professionals deserving of rights, capable of speaking for themselves, and often able to reframe themselves as good teachers. This prescient book shows how LGB teachers and their allies broadened the boundaries of professionalism, negotiated for employment protection, and fought against political opponents who wanted them pushed out of America's schools altogether. *Queer Inclusion in Teacher Education* Olivia J. Murray, 2014-06-13. *Queer Inclusion in Teacher Education* explores the challenges and promises of building queer inclusive pedagogy and curriculum into teacher education. Weaving together theory, research findings, and practical how-to strategies and materials, it fills an important gap by offering a clear roadmap and resources for influencing the knowledge, beliefs, and actions of faculty working with pre-service teachers. While the book has implications for policy change, most immediately, readers will feel empowered with ideas for faculty development they can implement in their own teacher education programs. Looking at both the politics and practices of teacher education and the ways in which queer issues manifest in schools, it is hopeful in suggesting that if teachers and pre-service teachers can critically reflect on homophobia and heteronormativity, they can begin to think about and relate to queer youth in a different, more positive and inclusive way. A Companion Website <http://queerinclusion.com> with additional activities and materials for teacher educators and faculty development, and a practical guide enhances the usefulness of the book. *No Sanctuary* Stephen Lane, 2019. The struggle to protect LGBTQ youth in school. **Bears on**

Bears Ron Jackson Suresha,2009-08 This revised edition of Suresha s thought provoking humorous collection of interviews with men discusses gay male stereotyping commodification of the human body the oppressiveness of the physical ideal and how body image affects personal growth Actions Speak Louder than Words Celia Oyler,2012-03-22 How do educators engage students in community action projects without telling them what to think how to think or what to do Is it possible to integrate social justice organizing into the curriculum without imposing one s political views on students In Actions Speak Louder than Words longtime activist and teacher educator Celia Oyler delves into such questions through firsthand accounts of social action projects By moving beyond charity work or volunteerism she shows how community activism projects offer fertile ground for practicing democratic engagement as part of classroom work Actions Speak Louder than Words is a systematic qualitative study offering in depth and detailed portraits of teachers who design social action projects as part of the regular classroom curriculum Each case forms a chapter organized as a narrative that includes excerpts from classroom dialogues and interviews with students teachers and parents describing their social action projects with sufficient detail to give educators guidance for designing such projects for their own classrooms The final chapter examines power pedagogy and learning outcomes across the cases providing specific guidance to educators wishing to take up such projects and offering instructional and procedural advice as well as cautions A fresh new example of taking up the challenge to teach toward equity and social justice Actions Speak Louder than Words is an invaluable resource for educators who are passionate about the possibility of integrating activism and advocacy into curriculum as a means to engage in strong democracy

Queering Elementary Education William J. Letts,James Thomas Sears,1999 This volume assembles a range of writers from diverse backgrounds and geographies to examine five broadly defined areas in elementary education foundational issues social and sexual development curriculum the family and gay lesbian educators and their allies **The Nation** ,1998-07 **Critical Concepts in Queer Studies and Education** Nelson M. Rodriguez,Wayne J. Martino,Jennifer C. Ingrey,Edward Brockenbrough,2016-08-30 This book advances a broad constellation of critical concepts situated within the field of queer studies and education Collectively the concepts take up a cross section of scholarship that speaks to various political epistemological theoretical methodological and pedagogical concerns Given the ongoing global centrality of sociocultural and political developments related to the topic of LGBTQ in the twenty first century the concepts in this volume and the issues raised by each contributor will have wide international appeal among researchers scholars educators students and activists working at the intersection of queer studies and education **Educational Administration in a Pluralistic Society** Colleen A. Capper,1993-07-01 In this bold provocative supplemental text for the field of educational administration Colleen Capper and contributors challenge administrators policymakers practitioners and communities to confront the realities of schools and students in a pluralistic society The book examines recent educational initiatives aimed at addressing the needs of students and staff from traditionally underrepresented groups marginalized on the basis of race language

gender sexual orientation social class or disability Each chapter critically reviews the literature and research to probe the current characteristics of a nondominant group including such information as its demographic characteristics its role in school reform its representation in organizational theory and behavior its presence within curriculum and instruction and its relationship with the school as community Capper argues for the adoption of a multiparadigmatic framework from which to approach educational leadership for today's schools

Dry Bones Breathe Eric Rofes, 2015-01-28 *Dry Bones Breathe* Gay Men Creating Post AIDS Identities and Cultures breaks new ground in offering an original and insightful interpretation of gay men's shifting experience of the AIDS epidemic From *Dry Bones Breathe* you'll gain a deeper understanding of current community debates focused on circuit parties unprotected sex and gay men's sexual cultures and you will learn how social political and biomedical changes are dramatically transforming gay identities and cultures *Dry Bones Breathe* is Eric Rofes' explosive follow up to *Reviving the Tribe* a book which broke open debates in gay communities around the world about sex identity and gay men's relationship to AIDS In this volume Rofes contends that most gay men no longer experience AIDS as the crisis they did during the 1980s Gay men often attribute this shift to the advent of protozoa inhibitors but Rofes explains how other factors including the epidemic's predicted trajectory new treatments for opportunistic infections the passage of time and the increasing diversity of gay men inhabiting communities throughout the country have set in motion the transformation of gay life AIDS organizations and gay leaders however continue to assert that gay men experience AIDS as an emergency resulting in a tremendous dissonance between gay leaders and their communities In the midst of this controversy *Dry Bones Breathe* lets you share in stories of hope and recovery and a new vision for AIDS work that demands a radical redesign of prevention care and activism *Dry Bones Breathe* tackles several other issues concerning the powerful shifts occurring in gay communities and cultures by explaining why an understanding of the terms post AIDS and post crisis is crucial to interpreting contemporary gay male cultures and what Australian prevention theorists have to offer gay men in the United States describing the Protozoa Moment and exploring how a dangerous obsession with pharmaceuticals is leading many to mistakenly attribute all changes in gay men's cultures to combination therapies examining the writings of Larry Kramer Andrew Sullivan Michelangelo Signorile and Gabriel Rightly to illustrate how the crisis construct has unleashed a backlash against gay sexual cultures discussing the dramatic diminution in gay men's AIDS related deaths in epicenter cities and the impact of shrinking obituary pages on gay men's mental health exploring the diverse relationships to the epidemic forged by young gay men gay men of color gay men from rural or small towns and middle aged men not infected with HI detailing how HI prevention and service organizations targeting gay men must redesign their mission and restructure their work In response to continuing efforts to direct gay men back into a state of emergency *Dry Bones Breathe* suggests that long term prevention efforts must be constructed around something other than a crisis While AIDS organizations look at gay men's diminished participation in AIDS activism Rofes argues that these organizations should face how they have distanced

themselves from the reality of most gay men's lives. From stories and experiences full of hope, anger, sadness, and strength, *Dry Bones Breathe* will teach you about gay men who no longer base their identities and cultures solely around AIDS.

This is likewise one of the factors by obtaining the soft documents of this **Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher** by online. You might not require more time to spend to go to the books commencement as capably as search for them. In some cases, you likewise accomplish not discover the proclamation Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher that you are looking for. It will utterly squander the time.

However below, past you visit this web page, it will be fittingly enormously easy to get as with ease as download lead Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher

It will not give a positive response many period as we run by before. You can attain it though undertaking something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we come up with the money for below as competently as evaluation **Socrates Plato And Guys Like Me Confessions Of A Gay Schoolteacher** what you in the same way as to read!
