music charting his private thoughts and feelings through letters diaries sketchbooks and the conversation books he used as his hearing declined She gives us Beethoven as a battered four year old weeping at the clavier the young virtuoso pianist agonized by his encroaching deafness the passionate heartbroken lover the clumsy eccentric making coffee with exactly sixty beans Padel's quest takes her into the heart of Europe and back to her own musical childhood Her great grandfather who studied in Leipzig with a pupil of Beethoven's became a concert pianist before migrating to Britain her parents met making music and Padel grew up playing the viola Beethoven's instrument as a child Her book is a poet and string player's intimate connection across the centuries with an artist who though increasingly isolated ended even his most harrowing works on a note of hope

Beyond the Lyric Fiona Sampson, 2012-09-06 British poetry is enjoying a period of exceptional richness and variety This is exciting but it s also confusing and throws up the need for an enthusiastic guide that can explain and celebrate the many parallel poetry projects now underway Beyond the Lyric does just that This is a book of enthusiasms an intelligent and witty map of contemporary British poetry and a radical accessible guide to living British poets grouped for the first time according to the kind of poetry they write In a series of groundbreaking new classifications beginning with the bread and butter diction of the Plain Dealers and ending on the capacious generosity of the Exploded Lyric it examines the broad range of contemporary tendencies from the baroque swagger of the Dandies to the restrained elegance of the Oxford Elegists from the layered haunting verse of Mythopoesis to the inventive explorations of the New Formalists By probing the cultural context from which these groups emerge and shifting the critical focus back to the work itself Sampson s astute analysis illuminates and demystifies each of these terms and asks the big questions about what makes a poem The result is a celebration of poetry as a connected responsive and above all communitarian form Lively engaging and inviting this is the indispensable and authoritative guide for anyone who s ever wondered what s going on in British poetry today

Leopards Alys Metcalf, 2021-11-16 You know I m in pain you know you can help relieve it still you actively withhold you withhold in case it compromises your moral compass Two strangers meet in a hotel bar for the first time under false pretences Flattery adulation and mutual admiration allows their friendship to kindle as the night progresses As these disparate and opposing

characters joust and jostle for the upper hand tensions build and the power dynamic continually shifts resulting in history coming to the forefront and unknown feelings rising to the surface with surprising consequences Leopards is Alys Metcalf's debut play and is published to coincide with the world premiere at Rose Theatre Kingston in September 2021 *Tigers In Red Weather* Ruth Padel, 2009-05-26 Poet writer and descendant of Charles Darwin Ruth Padel set out to visit a tropical jungle and wildlife sanctuary in India and her visit turned into a remarkable two year journey through eleven countries in search of that most elusive and most beautiful animal the tiger Armed with her grandmother's opera glasses and Tunisian running shoes she set off across Asia to ask the question can the tiger be saved from extinction in the wild Tigers are an umbrella species they need everything in the forest to work in tandem they eat deer the deer need vegetation the vegetation has to be pollinated by birds mammals rodents and butterflies If you save the tiger you save everything else Today the 5 000 tigers that still survive in the wild live only in Asia and are scattered throughout 14 countries Padel says that while tigers will never become extinct they are too popular for that they may disappear from the wild There are as many tigers in cages in the US as there are surviving tigers in the wild As she travels she meets the defenders of the wild the heroic scientists forest guards and conservationists at the frontline fighting to save tigers and their forests from destruction in the places where poverty threatens to wipe out all wildlife She also examines her fascination both as a poet and as the great great granddaughter of Charles Darwin with nature wildness and survival and in the end becomes a knowledgeable advocate for the tiger The result is a beautiful blend of natural history travel literature and memoir and a searing intimate portrait of an animal we have loved and feared almost to extinction Darwin Ruth Padel, 2011-11-23 This remarkable book brings us an intimate and moving interpretation of the life and work of Charles Darwin by Ruth Padel an acclaimed British poet and a direct descendant of the famous scientist Charles Darwin born in 1809 lost his mother at the age of eight repressed all memory of her and poured his passion into solitary walks newt collecting and shooting His five year voyage on H M S Beagle when he was in his twenties changed his life Afterward he began publishing his findings and working privately on groundbreaking theories about the development of animal species including human beings and he made a nervous proposal to his cousin Emma Padel's poems sparkle with nuance and feeling as she shows us the marriage that ensued and the rich creative atmosphere the Darwins provided for their ten children Charles and Emma were happy in each other but both were painfully aware of the gulf between her deep Christian faith and his increasing religious doubt The death of three of their children accentuated this gulf For Darwin death and extinction were nature's way of developing new species the survival of the fittest for Emma death was a prelude to the afterlife These marvelous poems enriched by helpful marginal notes and by Padel's ability to move among multiple viewpoints always keeping Darwin at the center bring to life the great scientist as well as the private man and tender father This is a biography in rare form with an unquantifiable depth of family intimacy and warmth **The Annals of London** John Richardson, 2000 Year by year from 1065 to the present disasters innovations and
