Legislature. Senate, 1913 The Crime of Aggression, Humanity, and the Soldier Tom Dannenbaum, 2018-05-10 The international criminality of waging illegal war alongside only a few of the gravest human wrongs is rooted not in its violation of sovereignty but in the large scale killing war entails Yet when soldiers refuse to kill in illegal wars nothing shields them from criminal sanction for that refusal This seeming paradox in law demands explanation Just as soldiers have no right not to kill in criminal wars the death and suffering inflicted on them when they fight against aggression has been excluded repeatedly from the calculation of post war reparations whether monetary or symbolic This too is jarring in an era of international law infused with human rights principles Tom Dannenbaum explores these ambiguities and paradoxes and argues for institutional reforms through which the law would better respect the rights and responsibilities of soldiers **Conscription, Conscientious Objection, and Draft Resistance in American History** Jerry Elmer, 2023-09-25 *Conscription Conscientious Objection and Draft Resistance in American History* is the definitive history of conscription in America It is the first book ever to consider the entire temporal sweep of conscription from pre Revolutionary War colonial militia drafts through the end of the Vietnam era Each chapter contains an examination of that era s draft law the actual workings of the

conscription machinery and relevant court decisions that shaped the draft in practice In addition the book describes the popular opposition to conscription organized and unorganized violent and nonviolent public and clandestine legal and illegal Using sources never before utilized by historians including government documents obtained in Freedom of Information Act requests the book demonstrates how anti conscription sentiment has been far deeper than is popularly appreciated
