Solitary War

David M. Halperin, Trevor Hoppe

Solitary War:

A Solitary War Henry Williamson, 1969 Brooklyn and the Civil War E.A. "Bud" Livingston, 2012-04-30 While Manhattan was the site of many important Civil War events Brooklyn also played an important part in the war Henry Ward Beecher auctioned off slaves at the Plymouth Church raising the money to free them Walt Whitman reported news of the war in a Brooklyn paper and wrote some of his most famous works At the same time Brooklyn both grappled with and embraced unique challenges from the arrival of new immigrants to the formation of one of the nation's first baseball teams Local historian Bud Livingston crafts the portrait of Brooklyn in transition shaped by the Civil War while also leaving its own mark on the course of the terrible conflict On Absolute War Eric Fleury, 2019-01-15 Nearly two decades after the declaration of a War on Terror the precise relationship between warfare and terrorism remains unclear The United States and its allies have long sought to inflict a decisive defeat upon groups such as Al Qaeda and ISIS while regarding their individual members as malevolent criminals undeserving of combatant status A clearer understanding of how terrorists define victory and how their method of fighting relates to conventional military forces is necessary in order to devise more realistic and effective strategies of counterterrorism *On Absolute War* constructs a theoretical framework for the study of terrorism based on Carl von Clausewitz's *On War* widely regarded as the greatest analysis of war ever written Through a review of Clausewitz's work and a set of historical case studies ranging from the Fenian Dynamite Campaign of the 1880s to the wars in Iraq and Afghanistan Prof Fleury reveals just how closely terrorism mimics the logic of war Terrorism attempts to restore war to its theoretical baseline a condition that Clausewitz called absolute war featuring relentless escalation toward a climactic result While never achieving this ideal in practice terrorists succeed to the extent that they compel their enemies and their prospective followers to engage mutual escalation which will ultimately favor whichever side is better able to jettison logistical and normative limits Consequently states must engage terrorists on the basis of Clausewitz's two most important injunctions namely that war is temporary and subordinate to political controls Given the very real prospect of a war without any temporal and spatial limits *On Absolute War* provides the theoretical basis for a strategy of limiting the effects of terrorism rather than repeatedly trying and failing to destroy it **The War on Sex** David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is permitted to have sex By examining how the ever

intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso *War Remains* Yasmine Khayyat,2023-05-15 War Remains traces the poetics of ruination and resistance in select contemporary Lebanese wartime literature cultural production and sites of memory Drawing upon work from southern Lebanon and Beirut Khayyat examines how war remains are employed as a resistant trope in the intellectual spaces of war s aftermath She focuses on Southern Counterpublics a collective of poets novelists activists artists and ordinary citizens and their war inspired creative productions that speak to the ruins capacity to be reframed recycled and recontested Khayyat argues that the ruins of war can be thought of as a generative milieu for resistant thought and action An ambitious and provocative work War Remains ventures to the so called margins to archive the texture and substance rendered invisible when studies of memory rely solely on data furnished by official narratives and military accounts of war *Observations on the Practice and the Forms of District, Regimental, and Detachment Courts Martial, with Reference to the Mutiny Act, Articles of War, and Existing Regulations; Also Remarks on the Composition and Practice of Courts of Inquiry ... New and Enlarged Edition* Sir George Charles D'Aguiar,1843

Preventing Unjust War Roger Bergman,2020-12-15 Catholic pacifists blame the just war tradition of their Church That tradition they say can be invoked to justify any war and so it must be jettisoned This book argues that the problem is not the just war tradition but the unjust war tradition Ambitious rulers start wars that cannot be justified and yet warriors continue to fight them The problem is the belief that warriors do not hold any responsibility for judging the justice of the wars they are ordered to fight However unjust a command renders any war just for the obedient warrior This book argues that selective conscientious objection the right and duty to refuse to fight unjust wars is the solution Strengthening the just war tradition depends on a heightened role for the personal conscience of the warrior That in turn depends on a heightened role for the Church in forming and supporting consciences and judging the justice of particular wars As Saint Augustine wrote The wise man will wage just wars For unless the wars were just he would not have to wage them and in such circumstances he would not be involved in war at all **The Medical and Surgical History of the War of the Rebellion. (1861-65).** United States. Surgeon-General's Office,1879 **Korean War Atrocities** United States,1954 **The Medical and Surgical History of the War of the Rebellion (1861-65): pt. 1. Medical history** United States. Surgeon-General's Office,Joseph Janvier Woodward,Charles Smart,George Alexander Otis,David Lowe Huntington,1879 **Power, Profit and Prestige** Philip S. Golub,2010-05-07 From the American Revolution and the signing of the Declaration of Independence to the waning popularity of the Iraq war Philip Golub depicts the long American journey to global ascendancy Through the study of imperial

identity formation Golub shows how a culture of force and expansion has shaped American foreign policy Taking a historical and sociological approach to his examination of the US logic of world power he reveals how entrenched assumptions about America's primacy inhibits democratic transformation at domestic and international levels forging a new world where America is no longer able to set the global agenda [Korean War Atrocities](#) United States. Congress. Senate. Committee on Government Operations. Subcommittee on Korean War Atrocities,1954 *The Biology of War* Georg Friedrich Nicolai,1918

Wordsworth After War Philip Shaw,2023-07-20 William Wordsworth's later poetry complicates possibilities of life and art in war's aftermath This illuminating study provides new perspectives and reveals how his work following the end of the revolutionary and Napoleonic wars reflects a passionate lifelong engagement with the poetics and politics of peace Focusing on works from between 1814 and 1822 Philip Shaw constructs a unique and compelling account of how Wordsworth in both his ongoing poetic output and in his revisions to earlier works sought to modify refute and sometimes sustain his early engagement with these issues as both an artist and a political thinker In an engaging style Shaw reorients our understanding of the later writings of a major British poet and the post war literary culture in which his reputation was forged This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

"Spain Mad": British Engagement with the Spanish Civil War Tom Buchanan,2024-06-15 Taking inspiration from a police informer's comment that his workmates had gone Spain mad in response to the Spanish Civil War this book uses biographical studies to explore the nature of British engagement with the conflict The opening chapter presents a general analysis of the subject and assesses the available evidence Some 2400 Britons volunteered to fight in the conflict and some 500 died there Accordingly the International Brigades are well represented in the book with chapters on two of the commanders of the British Battalion Wilfred Macartney and Fred Copeman and the Anglo Canadian volunteer Frank Whitfield Two of the other subjects George Orwell and Felicia Browne fought in other units However the book shows that engagement in the Civil War could take many forms hence the chapters on the journalist Philip Jordan clergyman E O Iredell and the humanitarian activist and politician G T Garratt The remaining chapters look at three historians and writers who have shaped the understanding of the Civil War in Britain Orwell Hugh Thomas and Jim Fyrrth The book is based on extensive new research and many of these subjects have never previously been studied in any depth **War Expenditures: Foreign**

expenditures. pts. 1-78 in 8 v United States. Congress. House. Select Committee on Expenditures in the War Department,1920 **Nicola Berry and the Wicked War on the Planet of Whimsy #3** Liane Moriarty,2018-05-15 The

third in a three book outer space adventure series for young readers from the 1 New York Times bestselling author of Big Little Lies Nicola and her friends whirlwind tour of the galaxy isn't about to stop The Space Brigade's third adventure takes them to a strange pair of planets that couldn't be more different On one side is a planet covered in volcanoes On the other side a beautiful place full of daydreamy poets Nicola and the Space Brigade find themselves caught in the middle of a war

between the two and must find a way to make peace before it s too late **Prisoner of War Resistance** United States.
Department of the Army,1981 *Antiwar Dissent and Peace Activism in World War I America* Scott H. Bennett,Charles F.
Howlett,2014-10-01 Publication of these pages is enabled by a grant from Jewish Federation of Greater Hartford **Federal
Council Bulletin** ,1927
