SONG OF SOLOMON Pastor Eric Vernelson Sr., 2025-05-06 From the author's perspective the Church of the Lord Jesus Christ is alive in the Earth however it seems to have lost its way and is struggling to recover its purpose and its energy The basis behind this writing is that together we might Grow up into Christ and become the glorious church which God has intended us to be Hopefully those who read it will be encouraged strengthened and motivated to renew their personal pursuit of Christ While the pulpits and the airways are filled with much preaching about the soon coming of the Lord Jesus Christ the fact remains that the mature head Jesus the Son of God cannot come to a body that is still immature and struggling We as the Body of Christ must attain unto a level of spiritual maturity that will correspond with the head The underlying principle of this writing endeavors to spur such an interest in the saints Such a maturing will release a renewal of evangelism inspire personal holiness and hopefully hasten the day of His coming

Into the Hands of the Living God Lyle Eslinger, 1989-10-01 Into the Hands of the Living God is Lyle Eslinger's second study of Deuteronomistic literature. This book is devoted to studies of key texts Joshua 1 9 Judges 1 2 1 Samuel 12 1 Kings 8 2 Kings 17 or concepts the success failure of the conquest the exile and theodicy in these narratives. Eslinger's readings are unorthodox and challenging both for readers from the communities of faith and for critical scholarship. The Deuteronomistic narratives are here shown to be far from being a vindication of the ways of God at Israel's expense. Rather in these narratives God no less than Israel's leaders has his hands soiled in the machinations that end in Babylon. What the Deuteronomistic history offers is rather dispassionate analysis of the problems some unavoidable that predetermined the failure of the covenant relationship. The collection of carefully worked out close readings of the biblical text in this volume provides a new critical vantage point from which one can reassess conventional historical critical readings of these colourful books. *The Western Teacher* , 1914 Michigan Christian Advocate , 1895 **The Spectator** , 1908 A weekly review of politics literature theology and art *Bookseller* , 1887 Vols for 1871 76 1913 14 include an extra number.
