The Heart Of Paul:

Transformation David A. deSilva, 2014-09-18 The gospel is often presented as little more than a get out of hell free pass But is that all there is to it What made it so compelling that the Apostle Paul would give up everything enduring hardships and deprivation to preach good news David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize The gift of righteousness is far richer than many of us have dared to imagine In Transformation The Heart of Paul s Gospel deSilva examines the gospel message as presented in Paul s letters He demonstrates that Paul had nothing less than in mind than the means to transform and renew all of creation including ourselves Prepare to let Paul s message of change and renewal transform your own thinking The Heart of Paul Ben Campbell Johnson, 1976 *The Heart of Paul* Charles Willis, 2012-04-01 The Heart of Paul is a workbook on the life of the Apostle Paul designed to be used in Teenage Bible Classes The workbook encourages open discussion of relevant issues for the spiritual development of Christian teens **Paul, Apostle of the Heart Set Free** Frederick Fyvie Bruce, 2000 Written by one of the best known and most respected evangelical biblical scholars of all time Paul explores the primary themes in Paul s thought as they developed in the historical context of his life and travels *Paul Wrote from the Heart* Raymond V. Schoder, 1987 This extraordinary volume contains a brilliant translation of Paul s words creating a deeply moving and inspirational reading experience The book includes original Greek with apparatus criticus new English translations on facing pages explanatory notes and references to parallel passages in the Old and New Testaments **Studying Paul's Letters with the Mind and Heart** Gregory S. MaGee, 2018-09-25 This informative survey of Paul s epistles is conversant with the latest scholarship but written in an engaging style that emphasizes practical application In each chapter Gregory MaGee asks and answers a vital question for understanding Paul s letters while prompting the reader to consider the discussion s personal implications These questions get at the heart of understanding interpreting and living out the Pauline letters Why listen to Paul Were all thirteen letters really written by Paul How does Paul interact with the Old Testament What are some specific interpretive challenges in Paul s letters How can I wisely apply Paul s teachings What are the experts saying about Paul these days What ideas were especially important to Paul Students and other thoughtful Christians wishing to dig deeper into Paul s letters will benefit from this contemporary overview and will be challenged to grow spiritually and apply Paul s teachings and example **The Heart of Paul** Ben Campbell Johnson, 1992-02-01 **Meditations on the Letters of Paul** Herold Weiss, 2016-07-27 Since the rise of modern biblical scholarship there has not been unanimity as to how to characterize Paul He has been praised for having delivered Christianity from Judaism Lately it has been argued that he remained so thoroughly a Jew that he was not a Christian at all Others think he became a Christian because he had become a totally frustrated Pharisee by his failure to observe the law of Moses Some consider him to have been a male chauvinist with few redeeming qualities Others see in him a messianist with masochistic tendencies Some think he was a conceited

authoritarian who had no patience with the views of others For a time it was popular to see him as a mystic who wished to lose himself by being in Christ It has been said that as one concerned with the life of the Spirit he saw reason as the enemy of faith and required his converts to sacrifice the intellect on the altar of submission to authority All these are at least in part reactions against the prevailing picture of him as the one who laid the foundation for the doctrines of righteousness by faith and the God of grace on which the Protestant Reformation was built Dr Herold Weiss Introduction to Meditations on the Letters of Paul With this beginning the reader is invited into a Bible study with Dr Weiss that will not be just an exegetical exercise but will more importantly be a personal journey into the Messiah's gospel that Paul so fervently shared throughout the known world of his time and continues to share in our day Be forewarned that you may find yourself spending more time than you counted on as you truly meditate on the words and the spirit of Paul's letters

Breaking the Shackles: Contemporary Perspectives in Paul's Letter to the Galatians
Samson Gitau, 2008-11-25

Breaking the Shackles by Samson Gitau examines Paul's Epistle to the Galatians from contemporary perspectives The Galatians the first group of converts in Asia Minor were weighed down and imprisoned by a heavy baggage a carry over from their fickle heathen practices The baggage hindered the Galatians in their attempts to embrace the Christian life of grace and freedom They fell easy prey to the Judaizing Christians with their insistence that to be Christian one had first to be Jewish be circumcised and adhere to the Mosaic traditions Having been liberated by the gospel of Jesus Christ the Galatians were imprisoning themselves all over again Enraged by the sudden departure of his converts from the faith he had preached to them Paul wrote to the Galatians reprimanding them for their unbecoming and foolish conduct The behavior of the Galatians finds parallels in contemporary Christian life Gitau examines some of these practices citing examples from his experiences as a priest in Kenya and in the United States
