

The image depicts two Buddhist figures, likely Bodhisattvas, seated in a meditative posture on lotus flowers. They are positioned within a cave-like setting, with rugged rock formations visible on the left and right sides. The background features a dark, cavernous space with stylized clouds and distant, glowing structures. Both figures have pale skin, wear orange robes, and have their eyes closed. They are adorned with tall, ornate golden crowns and are surrounded by large, luminous halos. The figure on the left has a more prominent, pointed crown, while the figure on the right has a slightly different, more tiered crown. The overall style is reminiscent of traditional Buddhist art, possibly a thangka or a mural.
