women have started to reverse this tendency by redefining right and wrong Demonization she notes has been effective controlling manipulating and dividing women to keep them powerless pitting Lilith against Eve good girl against bad girl and as a means of keeping one group religion or idea dominant over another In dismantling this technique the author shows that portrayals of women as innately evil undermine the self confidence of all women and in turn their ability to take risks assume leadership or claim power from bedroom to boardroom She provides strong models for women of a more proud sensual confident way of being along the way she poses difficult questions such as How can women become more aware that they have choice Do we give our religious and spiritual leaders too much power How do we make change in our own lives and in the world What forms of social action are most effective Lilith s Fire opens a dialogue that the author hopes may lead to some answers as it offers women a transformational tool to help them recognize appreciate and draw on the strength and creativity of their own lifeforce the first step in creating positive change She Is Everywhere!
