C. De Prosopo, 2016-01-21 The Latest Early American Literature according to readers for the University of Delaware Press is a collection of polemics and manifestoes In it R C De Prosopo bids to follow in the footsteps of the two rare early Americanist dissenters whom Philip F Gura once distinguished as prophets without honor in the field William Spengemann and Michael Colacurcio The book contends that a supposedly retired nationalist modernist telos continues to reign in most of the latest scholarship and even more influentially in all of the current literary histories and anthologies no matter how expansive in gender ethnic racial and hemispheric inclusiveness they profess to be Old teloi in particular that old American exceptionalist one can be cunning Updating and expanding upon essays written over the past thirty years De Prosopo proposes not only negatively to critique how the latest scholarly receptions of early American literature differ insignificantly from the earlier ones but positively to propose how a transnationalist concession that as a neocolonial culture America s lags behind that of Europe might advance post modern historiography by radically repositioning the past as no longer the present s diachronic predecessor but to quote Lyotard s semiotics its synchronic differend Closer to earth De Prosopo tries at the same time to remain mindful of the pedagogical imperative that ultimately to save the texts of early American literature will require making them legible to average non specialist never to become specialist undergraduate general education students To facilitate this he introduces in the concluding section of *The Latest Early American Literature* what will probably be taken as its most radical intervention the redefinition of Edgar Allan Poe as an early American writer *Early American Literature and Culture* Kathryn Zabelle Derounian-Stodola, 1992 *Early American Literature and Culture* Essays Honoring Harrison T Meserole a timely collection that reflects changing conceptions of the field contains studies by leading scholars and celebrates the achievements of Harrison T Meserole colonialist bibliographer and Shakespeare scholar extraordinaire These dynamic essays deal with areas at the forefront of current research such as popular culture minority and non Anglo writings recanonization genre studies and Anglo American links All the contributors were Meserole s students sometime during the twenty eight years he taught at The Pennsylvania State University and all have established their own scholarly reputations since then Timothy K Conley examines the institutionalization of American literature Donald P Wharton considers the
