The Henderson Crusade:

The Henderson Crusade Charles E. Dietze, 1983-01 **The Wendish Crusade, 1147** Mihai Dragnea, 2019-08-23 The Wendish Crusade of 1147 one of the Northern Crusades and a part of the Second Crusade took place at a critical phase in the evolution of crusading rhetoric The initiators and apologists of the campaign employed rhetorical devices to justify the occupation of a region and conversion of a population under the auspices of a crusade A detailed examination of the primary sources shows that the justification of a crusade against apostates was not only a German endeavour or the pope's will but a political reality of the twelfth century Therefore the attitude of the papacy is shown to be reactive rather than proactive

Chivalry, Kingship and Crusade Timothy Guard, 2013 A fresh perspective on the Crusade shows its ideal and practice flourishing in the fourteenth century The central theme of this book is the largely untold story of English knightly ongoing obsession with the crusade fight during the age of Chaucer high chivalry and the famous battles of the Hundred Years War After combat in France and Scotland fighting crusades was the main and a widespread experience of English chivalry in the fourteenth century drawing in noblemen of the highest rank as well as knights chasing renown and the jobbing esquire The author exposes a thick seam of military engagement along the perimeters of Christendom details of participants and campaigns are chronicled in many cases for the first time and associated matters of tactics diplomacy organisation and recruitment are minutely analysed adding substantially to the historiography of the later crusades The book's second theme traces the surprisingly strong grip the crusade idea possessed at the height of politics as an animating force of English kingship Disputing the common assumption that crusade plans were increasingly ill treated by the monarchs adopted as diplomatic double speak or as a means of raiding church coffers the author argues that courtiers and knights moved in a rich environment of crusade speculation and ambition and exercised a strong influence on the culture of the time Timothy Guard gained his DPhil at Hertford College University of Oxford **The Crusades, Holy War and Canon Law**

James A. Brundage, 2024-10-28 This volume is concerned above all with the legal background and the juristic issues behind the ideology and practice of the medieval Crusades This is an area that the author was the first to investigate systematically and there are two particular reasons for his approach one the conviction that the historical phenomenon of the Crusades can only be adequately understood within the context of the legal systems that permeated the age the other that so much of the documentary evidence be it charters decrees even chronicles was produced by people whose perceptions had been shaped by the law A number of articles focus on the roles of individual crusaders or address ideological questions including the very concept of Holy War Others deal with practical issues and the nature of the obligations incurred by a crusader and examine the consequences these had both for the institutions of medieval Europe and for the crusader's own family relationships Ce recueil s'attache avant tout au contexte légal et aux questions juridiques qui se trouvent à la base de l'idéologie et de la pratique des Croisades au Moyen Âge L'auteur a été le premier à entreprendre des recherches de façon systématique dans ce

domaine deux raisons précises sont l'origine de cette démarche premièrement la conviction que seule la connaissance du contexte des systèmes locaux dont l'époque était imprégnée permet de bien comprendre le phénomène historique des Croisades deuxièmement le fait que quantité de documents témoins chartes d'écrits ou encore chroniques sont l'œuvre de gens dont la perception était grandement influencée par la loi Un nombre d'études se concentrent sur la relation individuel de certains croisades ou s'adressent des questions d'idéologie y compris le concept même de la Guerre Sainte D'autres traitent de questions d'ordre pratique ainsi que de la nature des engagements contractés par les croisés ils en examinent le

The Chertsey Tiles, the Crusades, and Global Textile Motifs Amanda Luyster, 2023-12-21 While visual cultures mingled comfortably along the silk roads and on the shores of the Mediterranean medieval England has sometimes been viewed by both medieval and more recent writers as isolated In this Element the author introduces new evidence to show that this understanding of medieval England's visual relationship to the rest of the world demands revision An international team led by the author has completed a digital reconstruction of the so called Chertsey combat tiles sophisticated pictorial floor tiles made c 1250 England including both images and lost Latin texts Grounded in the discoveries made while completing this reconstruction the author proposes new conclusions regarding the historical circumstances within which the Chertsey tiles were commissioned and their significant connections with global textile traditions

Description

Tales of the Crusaders - Remembering the Crusades in Britain Elizabeth Siberry, 2021-02-01 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study the memory and legacy of the crusades Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive exciting and much needed area of investigation Crusading was a part of the rich tapestry of family history with tales of crusading developed as evidence of heroic endeavour to enhance family prestige Lists of crusaders were published to satisfy this market and heraldry was a visible means of displaying such lineage Drawing on extensive research and previously untapped sources this book charts continuing British interest in the crusades focusing on the nineteenth century The volume discusses what was available to read on the subject

and how this was discussed in numerous journals Set in the British context of growing local and regional interest in history and archaeology the study also considers the physical artefacts associated with the crusades *Tales of the Crusaders Remembering the Crusades in Britain* is the ideal resource for students and scholars of the history of memory and crusades history in a British context *Sacred Violence* Jill N. Claster, 2009-01-01 In *Sacred Violence* Jill N Claster brings new insight and focus to the history of the crusades The book includes an 8 page color insert of illustrations 12 maps over 25 black and white illustrations a chronology of the crusades and a list of rulers *A Perfect Fit* Jenna Weissman Joselit, 2014-04-29 A striking and inventive social history of the role of clothing in the making of modern Americans While fashions of the rich and famous have been lushly chronicled little attention has been paid to the meaning of clothes for everyone else Yet between 1890 and the outbreak of World War II as ready to wear came into its own the clothes of ordinary Americans claimed the nation's attention Allied with civic virtue fashion now played an increasingly important role in shaping the national character Drawing on a wealth of sources from advertisements trade journals and health manuals to sermons science and songs acclaimed historian Jenna Weissman Joselit shows how the length of a woman's skirt the shape of a man's hat and the height of a pair of heels enabled Americans of every faith color and class to feel part of the modern nation As moral arbiters warned that extravagant attire might undermine equality and gentlemen worried that wearing colored shirts reared them less manly the newly arrived and newly emancipated immigrants and African Americans wondered just how much jewelry was appropriate to their new status as citizens Engaging imaginative and original *A Perfect Fit* uncovers a time in American history when getting dressed was more about fitting in than standing out and vividly shows how clothes expressed the spirit of democracy and the promise of America **Calvin's Crusaders in the Wars That Made America** David T. Fisher, 2021-10-15 Nathaniel Scudder a well educated Presbyterian physician was an idealistic early advocate of the rebellion Like many of his fellow graduates of the College of New Jersey later Princeton University he believed in the Calvinist vision of a pious republic His wife Isabella Anderson Scudder a wealthy heiress and granddaughter of a royal governor reluctantly accepted her husband's radical political inclinations while fearing the tragic consequences that might result After a brilliant career as a physician and elder of the Presbyterian Church he was elected to represent New Jersey in the Continental Congress where he became one of the signatories of the Articles of Confederation He eventually grew so frustrated by the blatant corruption he experienced that he abandoned politics and helped form an extra legal vigilante organization the Retaliators Nathaniel's inner journey to the abandonment of his congressional mandate in favor of participation in violent retaliation was driven by his friendship and admiration for David Forman the main architect of the retribution strategy On October 16 1781 Nathaniel Scudder became the only person who served in the Continental Congress to die in action in the War of American Independence In a skirmish between Retaliators and Loyalists he was struck by a bullet meant for David Forman **The New Crusaders** Elizabeth Siberry, 2016-12-05 This is the first comprehensive study of the use abuse and

development of the crusade image in popular and high culture in the nineteenth and early twentieth centuries Drawing upon a diverse range of sources mainly from the British Isles but with parallels from Western Europe and North America the author shows the different approaches to the history of the crusading movement and crusade images taken by the historian composer artist and author **The Protectionist** ,1903 A monthly magazine of political science and industrial progress

The Battle Rhetoric of Crusade and Holy War, c. 1099–c. 1222 Connor Christopher Wilson,2022-11-25 This book examines Latin narratives produced in the aftermath of the First Crusade and challenges the narrative of supposed brutality and amorality of warfare in this period instead focusing on the moral and didactic concerns surrounding warfare and violence with which medieval authors wrestled The battle oration a rousing harangue exhorting warriors to deeds of valour has been regarded as a significant aspect of warfare since the age of Xenophon and has continued to influence conceptions of campaigning and combat to the present day While its cultural and chronological pervasiveness attests to the power of this trope scholarly engagement with the literary phenomenon of the pre battle speech has been limited Moreover previous work on medieval battle rhetoric has only served to reinforce the supposed brutality and amorality of warfare in this period highlighting appeals to martial prowess a hatred for the enemy and promises of wealth and glory This book through an examination of Latin narratives produced in the aftermath of the First Crusade and the decades that followed challenges this understanding and illuminates the moral and didactic concerns surrounding warfare and violence with which medieval authors wrestled Furthermore while battle orations form a clear mechanism by which the fledgling crusading movement could be explored ideologically this comparative study reveals how non crusading warfare in this period was also being reconceptualised in light of changing ideas about just war authority and righteousness in Christian society This volume is perfect for researchers students and scholars alike interested in medieval history and military studies **Home Market Bulletin ...** Albert Clarke,1902

Getting the books **The Henderson Crusade** now is not type of challenging means. You could not on your own going in the manner of book addition or library or borrowing from your connections to gate them. This is an no question simple means to specifically acquire lead by on-line. This online publication The Henderson Crusade can be one of the options to accompany you with having new time.

It will not waste your time. allow me, the e-book will entirely appearance you supplementary issue to read. Just invest tiny time to gain access to this on-line pronouncement **The Henderson Crusade** as capably as evaluation them wherever you are now.
