Modern Drama Scholarship and Criticism 1981-1990 Charles A. Carpenter, 1997 A selective list of publications for the period offering some 25 200 entries no annotations arranged by nationality and linguistic groups Most entries concern literary currents in drama since the last third of the 19th century playwrights who lived at least part of their lives in the 20th century noted directors and performance theory For students and scholars of modern dramatic literature While annual supplements of recent publications appear in the journal Modern Drama new compilers took a publication date of 1991 as

their starting point for listings leaving some 2 000 items collected after 1992 appearing only in this volume Annotation
 copyrighted by Book News Inc Portland OR Reference Book Review ,1980 **Translation and Adaptation in Theatre
 and Film** Katja Krebs,2013-08-15 This book provides a pioneering and provocative exploration of the rich synergies between
 adaptation studies and translation studies and is the first genuine attempt to discuss the rather loose usage of the concepts
 of translation and adaptation in terms of theatre and film At the heart of this collection is the proposition that translation
 studies and adaptation studies have much to offer each other in practical and theoretical terms and can no longer exist
 independently from one another As a result it generates productive ideas within the contact zone between these two fields of
 study both through new theoretical paradigms and detailed case studies Such closely intertwined areas as translation and
 adaptation need to encounter each other s methodologies and perspectives in order to develop ever more rigorous
 approaches to the study of adaptation and translation phenomena challenging current assumptions and prejudices in terms of
 both The book includes contributions as diverse yet interrelated as Bakhtin s notion of translation and adaptation Bollywood
 adaptations of Shakespeare s Othello and an analysis of performance practice itself arguably an adaptive practice which uses
 a variety of languages from English and Greek to British and International Sign Language As translation and adaptation
 practices are an integral part of global cultural and political activities and agendas it is ever more important to study such
 occurrences of rewriting and reshaping By exploring and investigating interdisciplinary and cross cultural perspectives and
 approaches this volume investigates the impact such occurrences of rewriting have on the constructions and experiences of
 cultures while at the same time developing a rigorous methodological framework which will form the basis of future
 scholarship on performance and film translation and adaptation **Drama** ,1983 *Teleliteracy* David Bianculli,2000-07-01
 The phenomena of television is examined from the historical context and television as an art form to television in various
 aspects of modern society such as TV in the classroom and on the battlefield **Walford's Guide to Reference Material**
 Albert John Walford,Anthony P. Harvey,Laurence John Taylor,H. Drubba,1980 *All About "All About Eve"* Sam
 Staggs,2024-05-01 From the original tale to the Broadway musical thoughtful film analysis and a thrilling final coup an
 interview with the real Eve People To millions of fans All About Eve represents all that s witty and wonderful in classic
 Hollywood movies Its old fashioned larger than life stars including Bette Davis Marilyn Monroe Anne Baxter George Sanders
 and Celeste Holm found their best roles in Eve and its sophisticated dialogue has entered the lexicon But there s much more
 to know about All About Eve Sam Staggs has written the definitive account of the making of this fascinating movie and its
 enormous influence on both film and popular culture Staggs reveals everything about the movie from who the famous
 European actress Margo Channing was based on to the hot blooded romance on set between Bette Davis and costar Gary
 Merrill from the jump start the movie gave Marilyn Monroe s career and the capstone it put on director Joseph L Mankeiwicz
 s All About All About Eve is not only full of rich detail about the movie the director and the stars but also about the audience

who loved it when it came out and adore it to this day Written in a chatty style that can be laugh out loud funny Stagg's engaging study should be the last word on this enduring classic Publishers Weekly A truly comprehensive filmography Superbly referenced Library Journal Traces the movie's development from the short story that inspired it through a virtual production diary that Stagg fleshes out with interviews of many surviving contributors to the film Booklist [A Peripheral Weapon?](#) David J. Childs, 1999-09-30 The tank was arguably the most important technological innovation that developed during World War I however without the support of the British Army and the allocation of important wartime resources it would have remained merely a peripheral weapon For far too long the depiction of the British War Office and GHQ France as anti technological and cavalry oriented has persisted While some historians have recently challenged this view much of the traditional versus progressive school of thought in regard to the production and employment of the tank still survives By posing the question was the tank a peripheral weapon this work reveals the vital role of the War Office in the production and employment of this stunning new weapon The War Office was behind the creation of the original Tank Committee the New or Advisory Tank Committee the Tank Directorate and the Tank Board It was these bodies particularly the Tank Board established in 1918 that facilitated the crucially important liaison between the users of tanks in France and the producers at the Ministry of Munitions Without War Office involvement in this way without its continued orders for more and better tanks and without the consistently high priority status accorded to tank production by General Haig it is inconceivable that the tank would have reached the level of technical sophistication and therefore usefulness that it had by late 1918 **The Picture that Will Live Forever** Ina Bertrand, William D. Rott, 2007 The story of the Kelly Gang is considered the first narrative feature film ever made Filmed outside Melbourne when the Kelly legend was still fresh it was believed lost for many years The Australian National Film and Sound Archive and the BFI have restored parts of the original 1906 film to create an amazing package which includes two commentaries on the national and worldwide significance of the film alongside soundtracks and a variety of viewing modes
