*The Gunther Heritage* Janet Louise Roberts, Louisa Bronte, 1981      **Archaeology, Ethnography, and Tolowa Heritage at Red Elderberry Place, Chvn-su'lh-dvn, Jedediah Smith Redwoods State Park** Shannon Tushingham, 2013 Tucked away in the extreme northwestern corner of California lies a land of stunning beauty composed of a craggy coastline deep forests and roughhewn mountains At its heart flows the Smith River one of the last undammed rivers in California Arising from its headwaters in the Klamath Mountains and emptying into the ocean some ten miles north of Crescent City the sinuous aquamarine colored Smith River is the ancestral home of the Tolowa people This volume Number 30 in our series of Publications in Cultural Heritage is about the Tolowa their deep past their more recent history and their rich cultural heritage as viewed from a single locality within Jedediah Smith Redwoods State Park named Chvnsu lh dvn TcuncuLtun or Red Elderberry Place Presented within is a unique blend of rigorous archaeological investigation local history and ethnography This volume is the result of three years worth of research conducted by California State Parks National Park Service University of California Davis private cultural resource management firms and local historical societies in cooperation with the Elk Valley and Smith River Rancherías and the general Tolowa community The unique and ongoing partnership between all these parties has led to the discovery and documentation of an extremely long occupational history spanning about 8 500 years Among other discoveries this project has revealed the earliest plank houses the only semi subterranean sweathouse recorded to date in northwestern California and the earliest evidence of tobacco smoking on the Pacific Northwest Coast Preface      [The Greatest Day in History](#) Nicholas Best, 2009-10-13 World War I did not end neatly with the Germans surrender After a dramatic week of negotiations military offensives and the beginning of a Communist revolution the German Imperial regime collapsed The Allies eventually granted an armistice to a new German government and at 11 00 on November 11 the guns officially ceased fire but only after 11 000 more casualties had been sustained The London Daily Express proclaimed it the greatest day in history Nicholas Best tells the story in sweeping cinematic style following a set of key participants through the twists and turns of these climactic events and sharing the impressions of eyewitnesses including Adolf Hitler Charles de Gaulle Harry S Truman Anthony Eden and future famous generals MacArthur Patton and Montgomery      **Kentuckians and Pearl Harbor** Berry Craig, 2020-11-01 When the air raid alarm sounded around 7 55 a m on December 7 1941 Gunner's Mate Second Class James Allard Vessels of Paducah was preparing to participate in morning colors aboard the USS Arizona In the scramble for battle stations Vessels quickly climbed to a machine gun platform high atop the mainmast as others descended below decks to help pass ammunition up to gunners At 8 06 a bomb exploded and the Arizona sank Vessels's lofty perch saved his life but most of his shipmates were not so lucky In *Kentuckians and Pearl Harbor* Berry Craig employs an impressive array of newspapers unpublished memoirs oral histories and official military records to offer a ground up look at the day that Franklin D Roosevelt said would live in infamy and its

aftermath in the Bluegrass State In a series of vignettes Craig uncovers the untold forgotten or little known stories of ordinary people military and civilian on the most extraordinary day of their lives Craig concludes by exploring the home front reaction to this pivotal event in American history Japan s surprise attack on Pearl Harbor swept away any illusions Kentuckians had about being able to stay out of World War II From Paducah to Pikeville people sprang to action Their voices emerge and come back to life in this engaging and timely history **Pennsylvania Heritage** ,2006 **Hollywood Behind the Wall** Daniela Berghahn,2005-07-15 This book is a representative history of East German film culture from 1946 to the present examining both DEFA s celebrated classics and the most acclaimed post unification feature films by East German directors As Berghahn shows East German cinema occupies an ambivalent position between German national cinema on the one hand and East European and Soviet cinema on the other It includes a wide ranging exploration of post unification cinema from East Germany including cult films such as Sun Alley and Goodbye Lenin and provides contextualized readings of twenty significant films referencing one hundred and ninety East German films in total along with numerous West German and East European classics **Khobar Towers: Tragedy and Response** Perry D. Jamieson,2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances None of them view their actions as heroic yet the reader will marvel at their calm professionalism All of them say it was just their job but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time None of them would see their actions as selfless yet countless numbers refused medical attention until the more seriously injured got treatment Throughout this book the themes of duty commitment and devotion to comrades resoundingly underscore the notion that America s brightest bravest and best wear her uniforms in service to the nation This book is more than heroic actions though for there is also controversy Were commanders responsible for not adequately protecting their people What should one make of the several conflicting investigations following the attack Dr Jamieson has not shied away from these difficult questions and others but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone It is clear from this book that there is a larger issue than just the response to the bombing It is the issue of the example set by America s airmen Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice Photography, Natural History and the Nineteenth-Century Museum Kathleen Davidson,2017-12-02 The Victorian era heralded an age of transformation in which momentous changes in the field of natural history coincided with the rise of new visual technologies Concurrently different parts of the British Empire began to more actively claim their right to being acknowledged as indispensable contributors to knowledge and the progress of empire This book addresses the complex relationship between natural history and photography from the 1850s to the 1880s in Britain and its colonies Australia New Zealand and to a lesser extent India Coinciding with the rise of the modern museum photography s arrival was

timely and it rapidly became an essential technology for recording and publicising rare objects and valuable collections Also during this period the medium assumed a more significant role in the professional practices and reputations of naturalists than has been previously recognized and it figured increasingly within the expanding specialized networks that were central to the production and dissemination of new knowledge In an interrogation that ranges from the first forays into museum photography and early attempts to document collecting expeditions to the importance of traditional and photographic portraiture for the recognition of scientific discoveries this book not only recasts the parameters of what we actually identify as natural history photography in the Victorian era but also how we understand the very structure of empire in relation to this genre at that time

**The Darwinian Heritage** David Kohn,2014-07-14 Representing the present rich state of historical work on Darwin and Darwinism this volume of essays places the great theorist in the context of Victorian science The book includes contributions by some of the most distinguished senior figures of Darwin scholarship and by leading younger scholars who have been transforming Darwinian studies The result is the most comprehensive survey available of Darwin s impact on science and society Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Origins of European Peoples** Mario Mosetto,2018-03-20 This series explores the history of European peoples with the first book focusing on ancient history To understand the evolution of Europeans we must go back to the end of the Paleolithic Age In all probability from 40 000 BC onward there was a slow migration from the South across the Middle East which continued during the Paleolithic Age and all human languages stem from three principal branches African Indo European and Chinese The author shares a detailed account on the origins of Europeans and shares interesting facts that anyone who enjoys history will find valuable He also examines the twelve tribes of Israel from the very beginning of their history the causes of various migrations the affect sailing technology had on the world and the role that religion played in the development of leagues tribes and cities Delve into the fascinating history of the origins of the European peoples and explore the development of various nations including their linguistic and physical characteristics with this well researched book
