to supplant the old hotels the new resorts could offer year round activities thanks to the invention of artificial snow Similarly honeymoon hotels declined as couples resorts retreats that boasted such innovations as the heart shaped bathtub and the Jacuzzi in the shape of a tall champagne glass emerged on the Poconos scene Better in the Poconos recreates that scene and the people who brought it to life not only the innkeepers souvenir sellers laborers and service workers but also the community leaders and visionaries who promoted the vacation economy and sought to guide it The proper Victorians the devoted sportsmen the young newlyweds the families and singles the staid ladies of the Women s Christian Temperance Union and the sinners whose vices they wished to temper the members of the Ku Klux Klan the rich Quakers the Jewish socialists and the immigrants all these and more make up the humanly rich mosaic of the Poconos
