## **The Heart In Exile:**

*The Heart in Exile* Rodney Garland, Adam De Hegedus, 2014-05 Julian Leclerc a handsome and talented young barrister has been found dead of an apparent overdose of sleeping pills The verdict is accidental death but his fiancée Ann Hewitt suspects there's something more to the story As the grieving woman recounts the details of Julian's tragic end to psychiatrist Dr Tony Page he listens with acute interest but not for the reason she thinks Years earlier he and Julian had been lovers and now disturbed by the circumstances of his friend's demise Tony sets out to uncover the truth His quest will take him from the parties and pubs of the gay underworld of 1950s London to Scotland Yard and the House of Commons as he uses his shrewd and penetrating insight to find who or what was responsible for Julian's death But he may discover more than he bargained for about Julian and himself

*The Heart in Exile* Rodney Garland, 1958      **The Heart and the Fountain** Joseph Dan, 2002-04-18 Joseph Dan is one of the world's leading authorities on Jewish mysticism In this superb anthology Dan not only presents illuminating excerpts from the most important mystical texts but also delves into the very meaning of mysticism itself Dan takes readers through the historical development of Jewish mysticism from late antiquity to the modern period He explores the Kabbalah the esoteric tradition that delves into the secrets delivered by God to Moses on Mount Sinai the emergence of Hasidism and much more He presents the great texts from Hekhalot Rabbati The Greater Book of Divine Palaces set in the temple in Jerusalem to the apocalyptic vision of Abraham Abulafia in the thirteenth century to the Zohar perhaps the best known volume of all For each piece he offers an extended introduction that deftly places the work in the context of its time and its antecedents Mysticism is that which cannot be expressed in words period Dan writes In this remarkable volume he guides us through that seemingly impenetrable barrier to show how the inexpressible has been expressed in some of the most profound and challenging writing in existence

**Theology and Practice in Early Christianity** Troy W. Martin, 2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic social religious and cultural richness and diversity The twenty-two seminal essays in this volume some previously published some newly written represent almost three decades of research by Troy W Martin to understand how early Christianity developed in the ancient world The broad-ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts but also to the social philosophical physiological and medical contexts in which these texts were written The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith hope and love that characterized early Christian communities They include new medical and physiological explanations of early Christian sacraments pneumatology and eschatology and furthermore investigate early Christian communal life and practice including the veiling of women male female relationships and time keeping The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship Those familiar with the well-trodden ground of New Testament studies will find in these essays new insights and

previously unexplored comparative material for understanding early Christianity and the world in which it originated
