The Heart of a Girl Florence Warden, 1903 **In the Heart of a Holler Girl** Gabriella Page, 2017-05-23 What is it about our life that defines who we are and what we become Often at times others often wonder why we are the way we are or why we feel so passionately about something People are so quick to pass judgement without knowing the secrets and darkness that lie deep within our hearts and soul Secrets that for the good of those around us we tend to hide deep within We close our feelings off from the world and force a smile because that is what society deems as normal There is nothing normal about what I have been through My name is Gabriella Page and I am no longer afraid to be me This book is my story real and true to its entirety For years I have searched blindly through the darkness for a ray of hope Hope it sounds amazing it is not something that I have come by that easily throughout my life For when I did I was usually swept off my feet by betrayal Betrayal something that I know all too well Come with me and share that laughter heartache and tears as the story unwinds and is told about a little holler girl me going through some of the most trying and difficult times one could ever face I am no longer afraid and want to conceal the truth I am ready for my story to be told With my head held high and the secrets of my heart finally yearning to be told I open up my heart and my past There is so much to be told that has been hidden in the heart of this holler girl and so it begins Faith of the Heart Sandy James, 2017-06-27 Investigative reporter Joshua Miller has

The Dark Duchess Wendy

Moran, 2015-04-09 In the kingdom of Drachenberg there lived a compassionate Duke and his lovely Duchess. The Duchess lived happily with the Duke as her husband and Princess Dahlia as her best friend. As several years pass by, the Duke falls ill and on one sunny day he quietly passes away. The Duchess alienates Princess Dahlia and the other royals. She turns to dark magic in hopes of obtaining a cure for her heartache, but she only grows more vacant each day and her heart slowly withers away. One night she has an idea: she would create five little monsters to destroy the happiness of the people in her kingdom. She wants everyone to be as miserable as she had become. The Duchess sends her monsters out to steal precious items that belong to the peasants of Drachenberg. Everything is going according to the Duchess's plan for a brief moment. When Princess Dahlia meets Prince Draven, a young man who looks identical to the Duke, it enrages the Duchess. Consumed with jealousy, she only wants to steal one more thing: the heart of the princess. Her monsters do as she says until they realize they are heartless. But if the monsters want hearts, they must set everything right. They become determined to show everyone the truth about monsters: monsters are created, not born. It's a dark tale of love and loss, of repentance and forgiveness, of magic and, above all, of monsters.
