With General Preface by John C. Miller ... and Memoir by Robert Halley** Thomas GOODWIN (D.D.),1864      *Meet the Puritans* Joel R. Beeke,Fraser E. Jones,Randall J. Pederson,2025-10-21 Whether you re meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren t abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you ll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of

modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you are serious about reading the Puritans or simply looking for a clear starting point this is the place to begin *The Rise of the Covenant of Redemption in the Theology of Samuel Rutherford* Sam Bostock, 2025-05-29 The Church of Scotland divine Samuel Rutherford 1600-61 was among the first theologians to say that Christ's saving work took place to fulfill an agreement between God and Christ that had been made in eternity By placing Rutherford's major statements of this new doctrine in their various social political polemical and pastoral contexts this book provides a fresh explanation for the dramatic rise of the eternal covenant of redemption to become the cornerstone of Reformed federal theology and offers a case study in the development of doctrine **The Wesleyan-Methodist Magazine**, 1848 *A Quest for Godliness* James Innell Packer, 1994 Surveys the teachings and beliefs of the Puritans and calls today's Christians to follow their example of spiritual maturity **Salvation by Faith** Hyonam Kim, 2019-10-07 The doctrines of covenant faith and the order of salvation are crucial components of early modern Reformed soteriology In seventeenth century England these three major doctrines of Reformed theology which had been taken over undeveloped from the Reformers took a mature shape but aroused controversies among diverse Protestant groups Modern historical scholarship on Reformed orthodoxy has produced little significant research that deals with these doctrines synthetically This examination explores the broader role of faith in relation to these two significant doctrines for salvation in the early modern Reformed theology with specific reference to the thought of Thomas Goodwin To this end Hyo Nam Kim examines Goodwin's life to review his religious experience and to understand his socio-theological context Goodwin's soteriology was sharpened by his battles on two fronts The first is the threat of Arminian Neonomian and Socinian soteriologies that tended to place meritorious value on faith and on human acts The second is the Antinomian errors that undervalued faith and human responsibility Goodwin regarded faith as a key concept for his soteriology Faith plays a central role in the covenant theology not only because a lack of faith was the immediate cause of breaking the covenant of works but because saving faith was ordained in the covenant of redemption and actually functions in the covenant of grace as the instrument and a condition for the recovery of the relationship of mankind with God Examination of Goodwin's ordo salutis provides specific insight into the place and function of faith in the covenant of grace since each element of an ordo salutis refers to the blessings prepared for the elect to be finally saved Together with the role of faith in Goodwin's covenant theology therefore the reconstruction of Goodwin's ordo salutis and the close examination of the role of faith in each blessing confirm that although faith may be said to be both an instrument and a condition for salvation faith is the perfect instrument both for making salvation totally God's gracious work and for showing
