Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2003 *Satellites in the High Country* Jason Mark,2015-09-29 In *Satellites in the High Country* journalist and adventurer Jason Mark travels beyond the bright lights and certainties of our cities to seek wildness wherever it survives In California s Point Reyes National Seashore a battle over oyster farming and designated wilderness pits former allies against one another as locals wonder whether wilderness should be untouched farmed or something in between In Washington s Cascade Mountains a modern day wild woman and her students learn to tan hides and start fires without matches attempting to connect with a primal past out of reach for the rest of society And in Colorado s High Country dark skies and clear air reveal a breathtaking expanse of stars flawed only by the arc of a satellite passing beauty interrupted by the traffic of a million conversations These expeditions to the edges of civilization s grid show us that although our notions of pristine nature may be shattering the mystery of the wild still exists and in fact it is more crucial than ever **Ernest Hemingway in the Yellowstone High**

Campaign Chuck Hornung,2016-05-12 What can be learned from another retelling of the Tombstone saga Recent revelations challenge the traditional view of Wyatt Earp s campaign against the Cow boy confederation as a bloody personal feud a la western fiction It was a seek and destroy mission sanctioned by the United States attorney general the U S marshal and the Arizona Territory governor following a year of corrupt law enforcement in league with the Cow boys livestock raids stagecoach holdups and other atrocities Presented in three sections this book establishes the major players involved in the convergence on Tombstone provides an account of Earp s activities during the 18 months prior to the final action and discusses the provenance and credibility of the Otero Letter Discovered in 2001 the letter believed to be written by New Mexico Territory Governor Miguel Otero offers evidence that Earp s party was given government aid The author examines the details of the letter including the shotgun duel between Earp and Curly Bill the split between Earp and Doc Holliday sanctuary for the Earp posse in Colorado and Holliday s extradition fight Earp s covert assault resulting in Johnny Ringo s death and the controversial courtship and marriage of Earp and Josephine Marcus *Eating Up Route 66* T. Lindsay Baker,2022-10-13 From its designation in 1926 to the rise of the interstates nearly sixty years later Route 66 was in John Steinbeck s words America s Mother Road carrying countless travelers the 2 400 miles between Chicago and Los Angeles Whoever they were adventurous motorists or Dustbowl migrants troops on military transports or passengers on buses vacationing families or a new breed of tourists these travelers had to eat The story of where they stopped and what they found and of how these roadside offerings changed over time reveals twentieth century America on the move transforming

the nation's cuisine culture and landscape along the way Author T Lindsay Baker a glutton for authenticity drove the historic route or at least the 85 percent that remains intact in a four cylinder 1930 Ford station wagon Sparing us the dust and bumps he takes us for a spin along Route 66 stopping to sample the fare at diners supper clubs and roadside stands and to describe how such venues came and went even offering kitchen tested recipes from historic eateries en route Start ups that became such American fast food icons as McDonald's Dairy Queen Steak n Shake and Taco Bell feature alongside mom and pop diners with flocks of chickens out back and sit down restaurants with heirloom menus Food and drink establishments from speakeasies to drive ins share the right of way with other attractions accommodations and challenges from the Whoopee Auto Coaster in Lyons Illinois to the piles of chat mining waste in the Tri State District of Missouri Kansas and Oklahoma to the perils of driving old automobiles over the Jericho Gap in the Texas Panhandle or Sitgreaves Pass in western Arizona Describing options for the wealthy and the not so well heeled from hotel dining rooms to ice cream stands Baker also notes the particular travails African Americans faced at every turn traveling Route 66 across the decades of segregation legal and illegal So grab your hat and your wallet you'll probably need cash and come along for an enlightening trip down America's memory lane a westward tour through the nation's heartland and history with all the trimmings via Route 66
