Snow Wife:

Sexual Abuse Ersi Abaci Kalfoğlu, 2012-03-23 Sexual assault can be considered as expression of aggression through sex. This in turn can have serious negative effects on a survivor's social and occupational functioning. This book has been organized towards that specific approach by compiling the scientific work of very well known scientists from all over the world. The psychological victimization of sexual assault, the physiological aspect of sexual abuse and the different attitudes in coping with sexual assault based on different cultural backgrounds are analyzed. Having in mind that one solution may not necessarily be suitable for all cases, we hope that this book will open a debate on sexual assault for future practice and policy and that it will be a step forward to break the silence. *The mortal wife of the richest man in the demon world* Karen Lee, 2001-06-08 The weather in Los Angeles was as sunny and warm as spring. As the direct daughter of a noble family, her life was decided from the moment she was born. Growing up in the family, he married a man who was on the same side of the family. He made him his first wife, gave him children and took care of his concubines in the backyard. For Xu Mingwei, who was educated under her legal wife, these were all things she could do easily. If one were to look back and see that she and Fu Heng had been married for five years, they would see that she had a pair of adorable children and a roomful of cuticles. From the beginning, she had never wished for such things like feelings. Unexpectedly, her husband suddenly asked her about this. If she didn't have it, how could she give it to him.
