## **Snowtown Murders:**

**The Snowtown Murders** Andrew McGarry, 2005 The authoritative book on the murders that stunned the nation by the only journalist who has covered the trials continuously for the last five years It is a horrifying and gripping account of ritualistic domination brutal torture and murder that reveals how a group of damaged people preyed on their own lovers friends and family with unstoppable rage THIS BOOK IS NOT FOR SALE IN SOUTH AUSTRALIA *The Bodies In Barrel*

*Murders* Jeremy Pudney, 2006-02 When bodies were discovered hidden in barrels in 1999 in South Australia Jeremy Pudney was one of the first journalists to cover the case that stunned the entire world In this authoritative and darkly compelling book he pieces together the complete story of the Snowtown murders Snowtown Jeremy Pudney, 2010-07-01 The

definitive account of Australia's most notorious criminal case When bodies were discovered in barrels in 1999 hidden within a bank vault in Snowtown in South Australia Jeremy Pudney was one of the first journalists on the scene Now using his years of experience as a police reporter for the Adelaide Advertiser and Network ten Pudney pieces together the complete story of the Snowtown murders Not only does he investigate the lives of the convicted men but he digs deeper telling the stories of their twelve victims and exploring the complicated social web that enabled them to not only prey on their victims but to get away with their crimes for so long the Snowtown murders were Australia's most horrific and sustained serial killings details of the case appalled the nation not to mention South Australia which already has a reputation for producing the country's highest number of serial killers But not every detail of this case has been made available to the public and Snowtown contains exclusive information revealed for the first time Part police reporting criminology text biography and social history Snowtown is a compelling book without peer and will take its place among the classics of the true crime genre

Killing For Pleasure Debi Marshall, 2011-05-02 The bestselling account of one of South Australia's worst series of crimes the bodies in the barrels A disused bank vault holding eight dismembered bodies immersed in barrels of acid Two bodies buried in a suburban backyard A further two found in the bush Such was the findings of one of South Australia's most horrific murder trials Informed by material never seen before an interview with Bunting's last lover Elizabeth Harvey and with the Crown's key eye witness James Vlassakis and with details of the torture and crimes not previously released this is a tensely woven and microscopic examination of tawdry lives and tragic deaths Four men who tortured and killed for fun for power Four men who kept each other's dark secrets for years By the time the police investigation concluded the story had invited comparison with the nightmare of Rosemary and Fred West the British House of Horrors Details of what the killers did to their victims before and after their deaths were deemed so depraved that suppression orders were in place throughout the trial But the killers were not insane They made deliberate choices to kill and lived in a culture of complete anarchy sadistic violence deviance and chaos Journalist and author Debi Marshall explores the killers psychopathic makeup in minute and harrowing detail She charts the victims exposure to generational paedophilia incest unemployment and hopelessness

Marshall covers the exhaustive trials and interviews the lawyers who ran them Through interviews she captures the voices of the victim s families and examines the police and forensic investigation and then wades into the social structure that spawned the people in this story This book was used as a primary source for the acclaimed Australian feature film Snowtown

**Murder Down Under** Anthony Ferguson,2021-01-29 Notorious numerous and varied serial murderers from Australia have an eclectic record of crimes methods and trademarks Scrutinizing these murderers at length this book aims to identify characteristics exclusive to Australian serial killers connecting the crimes with the continent s geography culture and social structure Featured are murderers like the Granny Killer John Wayne Glover William The Sydney Mutilator McDonald and Backpacker Killer Ivan Milat Also covered are well known events like the Snowtown Murders and killer couples like David and Catherine Birnie Unique in the true crime genre this book studies fictional Australian murderer Mick Taylor to examine how pop culture portrayals develop the distinct psychology of killers from down under

**Bodies in the Back Garden - True Stories of Brutal Murders Close to Home** Nigel Cawthorne,2014-08-07 There is one problem which every killer must face how to get rid of the body Murderer Dennis Nilsen famously cooked the corpses of his victims and flushed them down the toilet only to be caught when the sewers blocked up But his first 12 victims were disposed of in the back garden of his previous home Fred and Rosemary West buried the bodies of three of their victims in the back garden Milwaukee cannibal Jeffrey Dahmer began his murderous career scattering human remains in the backyard of his parents home in Bath Ohio Convicted killer Peter Tobin went back on trial after two more bodies were found in the back garden of his former home And grisly granny Dorothea Puente murdered lodgers at her boarding house in Sacramento California dispatching them to the backyard while continuing to cash their Social Security checks This book explores these and many other cases that suggest that whatever the motive for murder the back garden is a convenient place to dump the corpse

**The Serial Killer Next Door** Richard Estep,2023-01-31 How well do you know your neighbors Maybe you should get to know them better Growing up we are taught that monsters are easy to identify but the truth is very different Too often the serial murderer does not stand out Otherwise he or she would get caught The contrast between the ordinary seeming lives that provided cover for their cruel secrets is exposed in The Serial Killer Next Door The Double Lives of Notorious Murderers To their coworkers neighbors and others who knew them they led unremarkable lives They had careers as military pilots police officers landscapers small business owners farmers realtors reporters authors veterinary technicians nurses doctors handymen painters and chefs while they simultaneously stalked city suburbs college campuses trailer parks and red light districts This chilling book looks at the horrifying stories of nearly 30 malevolent killers and hundreds of innocent victims who were mistakenly trusted including Genene Jones a nurse responsible for the murder of 60 infants and children in her care She s said to be the inspiration for Stephen King s iconic character of Annie Wilkes in Misery and her nephew broke into King s home threatening to blow up the writer and his family because of it Robert Lee Yates a helicopter pilot in the Army

National Guard who when caught buried one body outside his bedroom window as his wife slept Gary Ridgway also known as the Green River Killer went undetected for 20 years working for 30 years as a painter for a truck company and married for 17 years Kathleen Folbigg whose three children were at first thought to have died from natural causes She only got caught when her husband found her personal diary Joseph James DeAngelo who worked various jobs including as a police officer and a truck mechanic He went on a decades long crime spree and was finally caught with the help of DNA evidence His case was instrumental in the establishment of California's DNA database And dozens of other serial killers It's chilling to realize that many serial killers have created second lives that are completely divorced from the brutality and evils they commit It's incomprehensible to think that they are able to flip a switch transforming them from apparently loving ordinary men and women into torturous homicidal slaughterers With more than 120 photos and graphics *The Serial Killer Next Door* is richly illustrated Its helpful bibliography and extensive index add to its usefulness We trust our neighbors coworkers and acquaintances Of course we do It's ominous to think that we can't

*Serial Killing on Screen* Sarah E. Fanning, Claire O'Callaghan, 2022-11-30 This book explores the representation of real life serial murders as adapted for the screen and popular culture Bringing together a selection of essays from international scholars *Serial Killing on Screen: Adaptation, True Crime and Popular Culture* examines the ways in which the screen has become a crucial site through which the most troubling of real life crimes are represented re-constructed and made accessible to the public Situated at the nexus of film and screen studies theatre studies cultural studies criminology and sociology this interdisciplinary collection raises questions about and implications for thinking about the adaptation and representation of true crime in popular culture and the ideologies at stake in such narratives It discusses the ways in which the adaptation of real life serial murder intersects with other markers of cultural identity gender race class disability as well as aspects of criminology offenders victims policing and profiling and psychology psychopathy sociopathy and paraphilia This collection is unique in its combined focus on the adaptation of crimes committed by real life criminal figures who have gained international notoriety for their plural offences including for example Ted Bundy Ian Brady and Myra Hindley Aileen Wuornos Jack the Ripper and the Zodiac and for situating the tales of these crimes and their victims stories within the field of adaptation studies

*Serial Homicide: Australian Serial Killers* RJ Parker, PhD, 2016-12-26 Between 1989 and 2006 there were 5 226 homicides in Australia Serial homicides account for 1% of this astonishing number of murders that were committed by 13 known offenders In this 3rd volume of *Serial Homicide* the following cases are discussed On their way to Sydney for a festival British backpackers Joanne Walters and Caroline Clarke suddenly disappeared Their bodies were the first of many to be discovered buried in Belanglo State Forest Joanne was stabbed 35 times while Caroline was shot in the head 10 times Seemingly unstoppable The Backpacker Killer Ivan Milat went on to kill between 7 and 12 people Known as The Moorhouse Murders David and Catherine Birnie cruised the streets to abduct young women and bring them to their house There they raped tortured and

killed them without mercy The Snowtown Murders aka Bodies in barrels murders were committed by four serial killers who targeted homosexuals brutally killing 12 people before they were stopped Arnold Sodeman the School girl Killer lured young girls between the ages of 6 and 16 with money and ice cream None of his four victims made it home from the play ground or schools Eric Edgar Cooke the Night Caller terrorized one community for four years where he killed a dozen people His acts were so depraved it s questionable whether Cooke was even human One victim was strangled to death with the cord from a bedside lamp after which Cooke he raped the corpse dragged it to a neighbor s lawn then sexually penetrated it with an empty whiskey bottle Lindsay Robert Rose is an Australian serial killer and contract killer from New South Wales currently serving five consecutive sentences of life imprisonment without the possibility of parole for the murder of 5 people between 1984 and 1994

**Vigilante Justice in Society and Popular Culture** Peter Robson,Ferdinando Spina,2022-10-27 This unique collection explores the complex issue of vigilantism how it is represented in popular culture and what is its impact on behavior and the implications for the rule of law The book is a transnational investigation across a range of eleven different jurisdictions including accounts of the Anglophone world Australia Britain Canada and the United States European experiences Germany Greece Italy Poland and Portugal and South American jurisdictions Argentina and Brazil The essays written by prominent international scholars in law sociology criminology and media studies present data historical and recent examples of vigilantism examine the national Laws and jurisprudence and focus on the broad theme of vigilante justice in popular culture literature films television Vigilante Justice in Society and Popular Culture sheds light on this topic offering a detailed look beyond the Anglophone world This collection will enrich the debate by adding the opportunity for comparison which has been largely lacking in scholarly debate As such it will appeal not only to scholars of law sociology criminology and media studies but also to all those who are engaged with these topics alike

**Focus On: 100 Most Popular Australian Films** Wikipedia contributors, [Revisionist Rape-Revenge](#) Claire Henry,2014-10-16 Considered a notorious subset of horror in the 1970s and 1980s there has been a massive revitalization and diversification of rape revenge in recent years This book analyzes the politics ethics and affects at play in the filmic construction of rape and its responses

*Dark Tourism and Crime* Derek Dalton,2014-11-20 Dark tourism has become widespread and diverse It has passed into popular culture vernacular deployed in guide books as a short hand descriptor for sites that are associated with death suffering and trauma However whilst books have been devoted to dark tourism as a general topic no single text has sought to explore dark tourism in spaces where crime mass murder genocide State sanctioned torture and violence has occurred as an organising theme Dark Tourism and Crime explores the socio cultural contours of this unique type of tourism and explains why spaces places where crime has occurred fascinate and attract tourists The book is marked by an ethics of respect for the suffering a place has experienced and an imperative to learn something tangible about the history and legacy of that suffering Based on empirical ethnographic research it takes the reader from the remnants of Auschwitz concentration camp to the tranquil

Australian island of Tasmania to explore precisely what things a dark tourist might encounter architecture art installations gardens memorials physical traces of crime and how these things invoke and evoke past crimes This volume furthers understanding of dark tourism and will be of interest to students researchers and academics of criminology tourism and cultural studies

**The Festival Cities of Edinburgh and Adelaide** Sarah Thomasson,2022-08-20 The Festival Cities of Edinburgh and Adelaide examines how these cities world famous arts events have shaped and been shaped by their long term interaction with their urban environments While the Edinburgh International Festival and Adelaide Festival are long established prestigious events that champion artistic excellence they are also accompanied by the two largest open access fringe festivals in the world It is this simultaneous staging of multiple events within Edinburgh s Summer Festivals and Adelaide s Mad March that generates the visibility and festive atmosphere

popularly associated with both places Drawing on perspectives from theatre studies and cultural geography this book interrogates how the Festival City as a place myth has developed in the very different local contexts of Edinburgh and Adelaide and how it is challenged by groups competing for the right to use and define public space Each chapter examines a recent performative event in which festival debates and controversies spilled out beyond the festival space to activate the public sphere by intersecting with broader concerns and audiences This book forges an interdisciplinary comparative framework for festival studies to interrogate how festivals are embedded in the social and political fabric of cities and to assess the cultural impact of the festivalisation phenomenon
