Living Single in a World that Chooses to Forget The Most High God Eniola Akosile, 2018-02-28 This book serves as a reminder of the beauty of single hood and the encouragement to fully seek the purpose of the Lord for your life Living single even while following Christ can be challenging and painful if you are not aware of basic knowledge that will assist you in progressing in single hood The Lord exclaims My people perish for lack of knowledge Sometimes the knowledge is so basic that when discovered you wonder and ask what held you back from the knowledge in the first place The Most High does not fully and directly explain in detail what the single life is to look like His glory conceals seals and then reveals secrets our duty is to seek and search out those things He has both revealed and hidden including the unique and precious journey of single hood

The Woman Who Can't Forget Jill Price, 2008-12-09 Jill Price has the first diagnosed case of a memory condition called hyperthymestic syndrome the continuous automatic autobiographical recall of every day of her life since she was fourteen Give her any date from that year on and she can almost instantly tell you what day of the week it was what she did on that day and any major world event or cultural happening that took place as long as she heard about it that day Her memories are like scenes from home movies constantly playing in her head backward and forward through the years not only does she make no effort to call her memories to mind she cannot stop them The Woman Who Can't Forget is the beautifully written and moving story of Jill's quest to come to terms with her extraordinary memory living with a condition that no one understood including her until the scientific team who studied her finally charted the extraordinary terrain of her abilities As we learn of Jill's struggles first to realize how unusual her memory is and then to contend as she grows up with the unique challenges of not being able to forget remembering both the good times and the bad the joyous and the devastating in such vivid and insistent detail the way her memory works is contrasted to a wealth of discoveries about the workings of normal human memory and normal human forgetting Intriguing light is shed on the vital role of what's called motivated forgetting as well as theories about childhood amnesia the loss of memory for the first two to three years of our lives the emotional content of memories and the way in which autobiographical memories are normally crafted into an ever evolving and empowering life story

it means leaving behind the ones she loves Eat Drink And Be My Best; Forget The Rest Theo Annika Knillsson,2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall It is hard to eat healthy when there is not enough money to do so Also when a victim is an emotional mess it is hard to eat healthily In reality the abuser pretty much dictates what when and if you eat at all Abusers force victims to eat foods that make a victim never want to eat that food again and some of those foods are healthy foods There are so many factors in why victims of abuse eat the way they do and why they have eating disorders Eating healthily is a big deal especially when a victim becomes malnourished due to abuse I was anorexic for a few years because of the long term horrific abuse At this time I had just had my last child down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation It took years of eating enough healthy food to get my weight back to a normal weight And then of course I unintentionally got back into another abusive situation His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again I was forced not to work in this final abusive marriage I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again Forced not to work made it so I had to use credit cards in order to eat enough healthy food At least I was not damaged again by anorexia No matter how forceful or abusive my husband was then my kids were not going to go without healthy food even if I was on a tight budget I would go into debt all over again so they could eat healthy I keep thinking I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage Finally out of that my last abusive marriage I am slowly but surely paying off the debt Yes with a lot of interest charge but I am going to be out of debt eventually I work as much as I can even if I am physically disabled unlike my last abusive husband I have to work to eat healthy I can t worry about the debt or I won t get out I eat healthy and in time I will become wealthy enough to be out of debt Because healthy is wealthy That is why I wrote this book to give you the reader ideas on what and how to eat drink and be the best forget the rest I will always be on a tight budget and that is how I will get out of debt SMART SPENDING HAPPY ENDING *A Royal Rebound: Forget My Ex-Fiancé, I'm Being Pampered by the Prince! Cannot Forget Vietnam Bob Crum,2022-08-25 I Cannot Forget Vietnam is a tale of how difficult it is to forget all that has happened to me The cost of one year in Vietnam all that happened is a result of being there This is my account of how I was affected Vietnam was a stark difference to being in the USA I was stationed at Eglin Air Force Base in Western Florida Then I received my orders for Cam Ranh Bay Vietnam The difference was in comparison like night versus day Cam Ranh Bay had revetments and sandbags covering anything that may be hit by rockets The control tower was where I worked half of the

time It stood out like a sore thumb because of its height This was what I put in for by joining the military I had to go in the Air Force Anywhere in Vietnam was more than I expected Vietnam was a war zone Anything could happen including the loss of one s life
