So Often the Pitcher Goes to Water Until it Breaks Rigoberto González, 1999 An astonishing new talent Rigoberto González writes with a clarity of the senses that pulls the reader into a marvelous and unfamiliar world The sidewalk preacher the umbrella salesman the nurse on the graveyard shift the professional mourner all allow González a clandestine glimpse of their lives Crackling with the dry electricity of the desert and flashing with the brilliant colors of Mexico González's poems are rooted in the fertile soil beneath poverty's dust the border's violence and longing's desolation **Veil and Burn** Laurie Clements Lambeth, 2010-10-01 Concerned with physical experience pain and disability Veil and Burn illuminates an intense desire to feel through the Other embrace it become it and in the transformation to understand the suffering body In poems about animals artifacts and monsters Lambeth displays a fascination for all bodies while exploring their pain common fate alienation and abilities Hovering between poem and prose fragment between the self and fellow creatures Laurie Clements Lambeth celebrates physical sensation imbuing it with lyric shape however broken however imprisoned the shape may be

Chance Ransom Kevin Stein, 2000 Winner of Poetry's Frederick Bock Prize and the Indiana Review Poetry Prize Kevin Stein casts a wide net over the ineffable befuddlement of everyday life His poems render history's chance larder of the consecrated and profane from which we ransom our fate Often improvisational and always lyrical Stein's poems move effortlessly through the art of Beckmann and Degas the music of Bob Marley and garage bands and the pathos of cancer patients factory workers and victims of bigotry Insightful and refreshingly unaffected Chance Ransom explores the shifting shore between self and other with clarity and compassion **House of Poured-out Waters** Jane Mead, 2001 In House of Poured Out Waters Jane Mead's substantial new collection she continues to grapple with a world both personal and cultural Poised in the slender moment between too early and too late between the difficult past and the unimaginable future Mead's poems remind us that the old debates about fate and free will nature and nurture are also matters of personal urgency More than anything it is her spiritual dimension that offers Mead a way into the future but that way must be paved image by image with the world before her Simultaneously conversational and lyrical these fearless poems extend the possibilities of narrative verse

Steve Gehrke seizes the lives of several classic and contemporary painters from Caravaggio and Magritte to Francis Bacon and Jackson Pollock to demonstrate how these artists transformed physical psychological and political suffering into art Mirroring the brushstrokes in long metaphor laden sentences Gehrke moves freely through the canvas into and out of the artists lives into the public realm into history to capture the way the creative mind can transform even the most violent surroundings a prison cell a battlefield a madhouse into a masterpiece A Deed to the Light Jeanne Murray Walker,2010-10-01 In A Deed To the Light Jeanne Murray Walker asks probing questions about the depth of grief about letting go and about the possibility of faith Her poems have been described by John Taylor writing in Poetry as splendid subtly erudite uplifting and funny **Guide to the Blue Tongue** Virgil Suárez,2002 Shimmering with saturated color and heat Guide to the Blue Tongue is an intoxicating sequence of memory poems about growing up in the tropics threaded through the myth of Caliban from Shakespeare s The Tempest Caliban is the monstrous native in love with what he cannot possess lost to his own sense of identity In Virgil Su rez s vision the island of Caliban s imprisonment merges with the island of Cuba where the carboneros make charcoal and sell it door to door by the pound young boxers crackle with caged energy dock workers spill like ants out of the bellies of ships and the rain falls in torrents on corrugated tin roofs On this island of fire the Marquis de Sade joins other historical figures to drink absinthe and J Edgar Hoover lingers over mojitos and a cigar at the Tropicana Night Club in Old Havana Hovering behind the hotel shutters or half concealed behind their masks the old poets and prophets Shakespeare Tiresias Pablo Neruda are waiting to speak their passions Out of this rich imaginative brew Su rez evokes the mythical and historical landscape of Cuba and distills the hollow deep thudded pangs of exile s rootlessness the immigrant s constant longing to be possessed by a sense of place Steeped in a seductive incantatory language of desire Guide to the Blue Tongue gives entry to a place of blue possibility and daily undoing where the sting of salt fresh air is compounded by the ache of displacement and loss **Poems** William Carlos Williams,2002 Before William Carlos Williams was recognized as one of the most important innovators in American poetry he commissioned a printer to publish 100 copies of Poems 1909 a small collection largely imitating the styles of the Romantics and the Victorians This volume collects the self published edition of Poems Williams s foray into the world of letters with previously unpublished notes he made after spending nearly a year in Europe rethinking poetry and how to write it As Poems shows his first tentative steps into poetry the notes show him as he prepares to make a giant transformation in his art Shortly after Poems appeared Williams went through a series of experiences that changed his life a trip to Europe a marriage to the sister of the woman he genuinely loved and the establishment of his medical practice In Europe he was introduced to a consideration of an unlikely trio Heinrich Heine Martin Luther and Richard Wagner resulting in an exposure that subsequently influenced his developing style Williams looked back on Poems as apprentice work calling them bad Keats nothing else oh well bad Whitman too But I sure loved them There is not one thing of the slightest value in the whole thin booklet except the intent and never republished the

collection Now that Williams's work is widely read and appreciated his reputation secure his development as a poet is a matter worth serious study Poems can be seen as a point of departure a clear record of where Williams began before his life and ideas about poetry made seismic shifts Virginia M Wright Peterson's succinct introduction puts Poems in the context of his life and times discusses the reception of the volume his reconsideration of the poems and what they reveal about his poetic ambitions

Men Without Bliss Rigoberto González, 2014-10-22 In cities and fields Mexican American men are leading lives of quiet desperation In this collection of thirteen startling stories Rigoberto Gonz lez weaves complex portraits of Latinos leading ordinary practically invisible lives while navigating the dark waters of suppressed emotion true to life characters who face emotional hurt socioeconomic injustice indignities in the workplace or sexual repression But because their culture expects men to symbolize power and control they dare not risk succumbing to displays of weakness Gonz lez shines an empathetic light into the shadows of Mexican culture to portray characters who suffer in silence men both straight and gay who must come to terms with their grief loneliness and pain By exploring the private moments of men trapped inside unforgiving stereotypes he critiques long held assumptions of Latino behavior He shows us individuals who must break out of various closets to become fully realized adults and makes us feel the emotional pain of men in a culture that recognizes only the pain and hardship of women Men without Bliss conveys the silent suffering of all men not just Latinos It will open readers eyes to unexpected facets of Latino culture and perhaps of their own lives
