So You Really Want To Learn Latin II:

Teaching Classics with Technology, 2019-06-13 The impact of ICT on the teaching of classical languages literature and culture has not until now been extensively described and evaluated Nevertheless educational technology has made a huge difference to the ways in which Classics is taught at junior senior and college level The book brings together twenty major approaches to the use of technology in the classroom and presents them for a wide international audience It thus forms a record of current and developing practice promotes further discussion and use among practitioners teachers learners and trainers and offers suggestions for changes in pedagogical practices in the teaching of Classics for the better The many examples of practice from both UK and US perspectives are applicable to countries throughout the world where Classics is being taught The more traditional curricula of high school education in the UK and Europe are drawing more and more on edutech whereas educational jurisdictions in the US are increasingly expecting high school students to use ICT in all lessons with some actively dissuading schools from using traditional printed textbooks This book presents school teachers with a vital resource as they adapt to this use of educational technology in Classics teaching This is no less pertinent at university level in the UK and US where pedagogy tends to follow traditionalist paradigms this book offers lecturers frameworks for understanding and assimilating the models of teaching and learning which are prevalent in schools and experienced by their students

Teaching Latin: Contexts, Theories, Practices Steven Hunt, 2022-03-10 Building on and updating some of the issues addressed in *Starting to Teach Latin* Steven Hunt provides a guide for novice and more experienced teachers of Latin in schools and colleges who work with adapted and original Latin prose texts from beginners to advanced levels It draws extensively on up to date theories of second language development and on multiple examples of the practices of real teachers and students Hunt starts with a detailed look at deductive inductive and active teaching methods which support teachers in making the best choices for their students needs and for their own personal preferences but goes on to organise the book around the principles of listening reading speaking and writing Latin It is designed to be informative experimental and occasionally provocative The book closes with two chapters of particular contemporary interest Access Diversity and Inclusion investigates how the subject community is meeting the challenge of teaching Latin more equitably in today's schools and The Future offers some thoughts on lessons that have been learnt from the experiences of online teaching practices during the Covid 19 lockdowns Practical examples extensive references and a companion website at www.stevenhuntclassics.com are included Teachers of Latin will find this book an invaluable tool inside and outside of the classroom

So You Really Want to Learn Latin Book 1, 2020-01-31 [Starting to Teach Latin](#) Steven Hunt, 2016-02-11 This handbook for teachers provides both practical up to date guidance and a theoretical overview on a number of key topics in Latin teaching Using a wealth of interviews observations and pupil transcripts Steven Hunt title utilizes case study evidence of excellent practice in teaching and learning from a wide variety of institutions from outreach programmes

community schools and academies in the UK to New York Charter Schools KIP schools and schools in Eastern Seaboard states in the USA Offering practical advice on topics such as essay writing teaching controversial topics including women slavery ethnicity and social hierarchy making use of primary sources and using ICT to advance language skills the book also engages with broader questions of approach and theory These include a survey of the three main approaches to Latin teaching grammar translation communicative and reading approaches explanation of cognitive and social approaches to learning and analysis of the differences between intrinsic and extrinsic motivation Moreover traditional arguments about the value and purpose of learning Latin at school level are re examined in the light of current educational thinking and government policy making This book is invaluable for trainees newly qualified teachers and more experienced practitioners looking for practical ideas and strategies to motivate and engage learners of Latin A companion website www.startingtoteachlatin.org is under construction and will contain a range of resources and information for teachers

Gwynne's Latin Nevile Gwynne, 2014-04-10 Latin is it the most wonderful thing It is mind enhancing character improving enthralling exciting deeply satisfying and valuable My solid determination is to spare no pains to do it the justice that its importance demands Mr Gwynne author of the Sunday Times bestselling phenomenon *Gwynne's Grammar* is just as emphatic about the importance of Latin as he is about the importance of grammar From the novice to the more well versed *Gwynne's Latin* is essential for anyone interested in learning Latin Mr Gwynne promises to teach you more Latin in half an hour than you would learn from years of being taught Latin at school He also includes a fascinating section on everyday Latin usage which discusses all the Latin words and idioms we still use today such as *quid pro quo* and *sui generis* Though we need no further convincing as we know Mr Gwynne is never wrong here are just some of the many reasons why Latin is utterly wonderful Latin is an academic subject easy enough for the least intelligent of us to grasp all the basic elements of and yet difficult enough to be demanding for its greatest scholars For well over a thousand years it was the means of communication that united the whole of Europe culturally and in every other significant way It is the direct ancestor of between them the five most widely spoken European languages and both of the official South American languages It is the ancestor and source of more than half of the English language partly directly and partly through French which for some centuries was England's official language Following in the same beautifully designed footsteps of *Gwynne's Grammar* *Gwynne's Latin* will teach you all the fundamentals of Latin quickly thoroughly and better than all the competition

Henle,2012-12-31 Thorough mastery of forms basic syntax and simple vocabulary are primary objectives of Henle Latin First Year that enable students to handle simple readings and translations Henle Latin First Year includes 14 units and covers the declensions various conjugations ablative and infinitive constructions and much more Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press an integrated four year Latin course Time tested and teacher endorsed this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts **The Complete Idiot's Guide to Learning Latin, 3rd Edition** Natalie Harwood,2006-08-01 An updated guide to the language of the Roman Empire Whether interested in learning Latin or just seeking a deeper understanding of English readers will find a fun alternative to the standard dusty tomes usually associated with Latin Included in this revised edition are updated vocabulary lists relevant to today's world expanded pronunciation guides Latin to English and English to Latin translations and a workbook of exercises reading passages and tools for greater comprehension of the language In 2002 the number of high school students taking Latin tests for college credit had risen 95% since 1993 According to CNN educators are increasingly turning toward Latin to improve student performance in reading math and science Perfect reference tool for law school medical school music school and other graduate school students faced with getting through a Latin course as a requirement **Teaching Classics Worldwide** Steven Hunt,John Bulwer,2025-02-06 Designed for instructors in schools and universities as well as stakeholders and policy makers in education everywhere this book is a systematic guide to contemporary school teaching of classical languages literature and civilisation in major countries across the world This book examines the trends and assesses the rationale for such diversity in programmes of study and asks the question What are classical subjects for in today's schools Each chapter is arranged by geographical area and draws on the experiences of teachers and other education experts in each country commenting on contemporary practices Themes such as the impact of national education policies enrolment assessment accessibility and inclusion are discussed The teaching of Classics has wide variations in practices and purposes from one education system to another in some the teaching of Classics continues to be focused on the mastery of language and grammar in others active

use of the ancient languages is growing in popularity and yet in others the focus is shifting towards the study of the languages and civilisations in translation Presenting an overview survey and comparison of practices across the world this book is essential reading for instructors and teaching training courses in the world of classical education Kibogo

Scholastique Mukasonga, 2022-09-13 FINALIST FOR THE 2022 NATIONAL BOOK AWARD A new masterwork of satire lore and living memory from the leading voice of French Rwandan literature Mukasonga breathes upon a vanished world and brings it to life in all its sparkling multifariousness J M Coetzee In four beautifully woven parts Mukasonga spins a marvelous recounting of the clash between ancient Rwandan beliefs and the missionaries determined to replace them with European Christianity When a rogue priest is defrocked for fusing the gospels with the martyrdom of Kibogo a fierce clash of cults ensues Swirling with the heady smell of wet earth and flashes of acerbic humor Mukasonga brings to life the vital mythologies that imbue the Rwandan spirit In doing so she gives us a tale of disarming simplicity and profound universal truth Kibogo s story is reserved for the evening s end when women sit around a fire drinking honeyed brew when just a few are able to stave off sleep With heads nodding drifting into the mist of a dream one faithful storyteller will weave the old legends of the hillside stories which church missionaries have done everything in their power to expunge To some Kibogo s tale is founding myth celestial marvel magic incantation bottomless source of hope To white priests spritzing holy water on shriveled drought ridden trees it looms like red fog over the village forbidden satanic a witchdoctor s hoax All debate the twisted roots of this story but deep down all secretly wonder can Kibogo really summon the rain
