Proceedings of the National Safety Council National Safety Council,1924 Proceedings of the National Safety Council ... Annual Safety Congress National Safety Council. Safety Congress,1924 Spray Harry Edge,2010-04-01 Five teenagers enrol in a play assassination game in a fictional city Shell a student with a perky exterior hiding a vulnerable need to prove herself falls for Mac when required to assassinate him Mac a student drop out resentful of his parents divorce a year before the story starts what he doesn t know is that his sister Han has joined the game to find him Green a computer geek is overweight and has issues with self esteem like Shell he sees the game as a chance to prove himself as well as interact with people his own age Zed is feisty and attractive and a metal head goth by night by day a student nurse Zed is a chameleon and pretty ruthless the most competitive of all perhaps but does she know who she really is The buzz in this street war is that you feel like a player in a real action movie with all of the adrenalin and the strategy and the pace without the danger The game is organised online by the elusive gamekeeper and all players meet him once to collect the details of their first target on a laminated card Meanwhile their name is also down as a target for whom they don t know all they know is that they have to be on their guard always looking over their shoulder ready to dodge their assailant These five teens have their own stories to tell

their own relationships unresolved for some the game and the end result is more important than others But what becomes clear as the plot and the game unravels is that the danger is more real than they thought and that the Gamekeeper has a shady agenda of his own

Red Lines Cherian George, Sonny Liew, 2021-09-21 A lively graphic narrative reports on censorship of political cartoons around the world featuring interviews with censored cartoonists from Pittsburgh to Beijing Why do the powerful feel so threatened by political cartoons Cartoons don't tell secrets or move markets Yet as Cherian George and Sonny Liew show us in Red Lines cartoonists have been harassed trolled sued fired jailed attacked and assassinated for their insolence The robustness of political cartooning one of the most elemental forms of political speech says something about the health of democracy In a lively graphic narrative illustrated by Liew himself a prize winning cartoonist Red Lines crisscrosses the globe to feel the pulse of a vocation under attack A Syrian cartoonist insults the president and has his hands broken by goons An Indian cartoonist stands up to misogyny and receives rape threats An Israeli artist finds his antiracist works censored by social media algorithms And the New York Times caught in the crossfire of the culture wars decides to stop publishing editorial cartoons completely Red Lines studies thin skinned tyrants the invisible hand of market censorship and demands in the name of social justice to rein in the right to offend It includes interviews with more than sixty cartoonists and insights from art historians legal scholars and political scientists all presented in graphic form This engaging account makes it clear that cartoon censorship doesn't just matter to cartoonists and their fans When the red lines are misapplied all citizens are potential victims
