recognition to two thirds of Algonquins Drawing on interviews with Algonquins across the Ottawa River watershed Lawrence voices the concerns of federally unrecognized Algonquins in Ontario whose ancestors survived land theft and the denial of their rights as Algonquins and whose family histories are reflected in the land The land claim not only forced many of these people to struggle with questions of identity it also heightened divisions as those who launched the claim failed to develop a more inclusive vision of Algonquinness This path breaking exploration of how a comprehensive claims process can fracture the search for nationhood among First Nations also reveals how federally unrecognized Algonquin managed to hold onto a distinct sense of identity despite centuries of disruption by settlers and the state
