The author considers the devotionals commentaries and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships body image and how to navigate romantic relationships Within these discussions there is a strong emphasis on modesty purity and sexual passivity as markers of young women s godliness Yet as the author argues these gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader The Teen Girl's Survival Guide Lucie Hemmen, 2015-11-01 Teen girls feel intense pressure to fit in and make friends In this important guide therapist and teen expert Lucie Hemmen offers ten tips to solve one of the biggest worries teen girls struggle with social success In the
