A bald eagle is shown in flight, its wings fully extended, soaring over a dramatic sky filled with white and grey clouds. Below the clouds, a dark, reflective body of water is visible, with a small, distant shoreline. The eagle's head is turned slightly to the right, and its talons are visible. The overall scene conveys a sense of freedom and overcoming challenges.

*"They shall mount up  
with wings as eagles."*  
ISAIAH 40:31

at the sky If you see a falling star don't wonder why just make a wish Trust me it will come true because I did and found Jesus Christ Sometimes we think that things will never change in life I don't know anyone who has not yet experienced pressure of

one kind or another in life It may raise its head swiftly and unexpectedly Or we may see and feel it coming slowly but surely like a slight crack in the wall of a building going up or down You might arrive late for some event and miss something special This is a minor pressure and it usually does not last long its an everyday occurrence that does not really matter very much There are many such pressures On the other hand the pressure of realising that the dream you had has failed to come true may overcome you You may feel depressed because of the loss of your spouse the chaos in the workplace the loss of friends or the insincerity of those you considered friends a lack of understanding on the part of your family heartache that never seems to end or feeling that God does not hear your prayer There are more types of pressure than there is grass growing on the plains of the Highveld Do not give up when you still have something to give I know that through Christ I am strong enough to make all my dreams come true I know love therefore I give love I recognise that my love has great value and must be reciprocated If my unconditional love is taken for granted it doesnt disappear I am quite capable of articulating my needs I know that with God the world is my playground but without God I will just be played with I understand that my life experiences are merely lessons meant to bring me closer to self knowledge and unconditional self love I know that I will at times have to inspire others to reach the potential God gave them I know my past understand my present and face my future I am not afraid of tomorrow for I have seen yesterday and I love today Jim Rohn says that happiness is not something you postpone for the future it is something you design for the present Country Life ,1904 **The Majesty of an Eagle** M.
