Soccer with Gary Bailey Gary Bailey, 1990      **A Captain's Journey** Neil Tovey, Ernest Landheer, 2019-05-01 South Africans of all races remember the moment when Neil Tovey raised the Africa Cup of Nations trophy in 1996 with Nelson Mandela at his side wearing his number 9 jersey It still represents South Africa's greatest success in international football In his long awaited autobiography Tovey tells his fascinating life story describing his modest upbringing in Durban his entry to a mainly black sport in a deeply segregated 1980s South Africa and his time as captain of Kaizer Chiefs and Bafana Bafana He recalls his introduction to muti rituals by team members and his growing popularity among Chiefs supporters who nicknamed him Mokoko boss chicken Tovey also writes about his experiences as a coach and as technical director of the South African Football Association SAFA and shares his insights about the state of the sport today He talks frankly about his family life and about surviving two heart attacks and gives insights into leadership and success This book will appeal to all football fans but it is also a fascinating story of a man who has lived a truly South African life      *Soccer Against the Enemy* Simon Kuper, 2010-04-27 Soccer is much more than just the most popular game in the world It is a matter of life and death for millions around the world an international lingua franca Simon Kuper traveled to twenty two countries to discover the sometimes bizarre effect soccer can have on politics and culture At the same time he tried to discover what makes different countries play a simple game so differently Kuper meets a remarkable variety of fans along the way from the East Berliner persecuted by the Stasi for supporting his local team to the Argentine general with his own views on tactics He also illuminates the frightening intersection between soccer and politics particularly in the wake of the attacks of 9 11 where soccer is obsessed over by the likes of Osama bin Laden The result is one of the world's most acclaimed books on the game and an astonishing study of soccer and its place in the world      **Soccer in a Football World** David Wangerin, 2008-03-15 David Beckham's arrival in Los Angeles represents the latest attempt to jump start soccer in the United States where David Wangerin says it remains a minority sport With the rest of the globe so resolutely attached to the game why is soccer still mostly dismissed by Americans Calling himself a soccer fan born in the wrong country at nearly the wrong time Wangerin writes with wit and passion about the sport's struggle for acceptance in Soccer in a Football World A Wisconsin native he traces the fragile history of the game from its early capitulation to gridiron on college campuses to the United States impressive performance at the 2002 World Cup Placing soccer in the context of American sport in general he chronicles its enduring struggle alongside the country's more familiar pursuits and recounts the shifting attitudes toward the foreign game His story is one that will enrich the perspective of anyone whose heart beats for the sport and is curious as to where the game has been in America and where it might be headed      **Succeed Under Pressure** Gary Bailey, 2012 HOW TO SUCCEED UNDER PRESSURE is based on Gary Bailey's highly successful business talks which are largely inspired by Sir Alex Ferguson's leadership abilities as Manager of Manchester United Gary is that rare breed a footballer with an MBA and

**Green Vanilla Tea** Marie Williams,2014-10-01 Green Vanilla Tea is a true story of love and courage in the face of a deadly and little understood illness With literary finesse compassion and a powerful gift of storytelling Marie Williams writes poignantly of her husband Dominic s struggles with early onset dementia and amyotrophic lateral sclerosis ALS at the age of 40 and how their family found hope amidst the wreckage of a mysterious neurological condition As the condition develops and progresses the normally devoted family man and loving partner seems to disappear beneath an expressionless facade erratic behavior and a relentless desire to wander that often leaves him lost The road to diagnosis is long and confusing and what starts off as perplexing for the family then becomes frightening The man they love is changing and no one seems to know why He no longer turns up to his sons high school events He falls and bumps into things He becomes verbally disinhibited emotionally disengaged and at times belligerent He doesn t seem to be able to read the social cues of other people He gets lost in familiar places as well as on obsessive work trips overseas He recklessly spends the family money leaving them in near financial ruin Despite this Williams and her children strive to find new ways to keep him safe and to connect with the husband and father they love so dearly While the family learns to cope with Dominic s illness which they call the Green Goblin Williams is determined that her children reclaim the dad of their memories She finds creative ways to make visible the stories of the man beyond the illness and helps them remember him as the engaged healthy and loving man she fell in love with She humanizes the experience through storytelling and assembling a quilt made up of transferred photographs painted artwork family footprints and personal inscriptions from family and friends This along with tea rituals music and stories of fatherhood love and value support them as fierce advocates for Dominic s dignity and give the family
