another company but her dad did not find a new job Then one day after a long argument the police came and took her dad away Courtney had seen him only once from afar since that terrible day In her mind she journeyed back to this time Courtney lay in her bed waiting for sleep to come Just a few months ago Courtney had been able to fall asleep as soon as her head hit the pillow When sleep finally came this night Courtney found herself in front of an elaborate wrought iron gate with a large sign reading Elysia set amid the swirling pieces of iron The sun shone very brightly birds sang happily and sweet flower smells escaped from the spaces between the iron bars of the fence The place looked very much like illustrations in her books but instead of being pictures on a page or the more fuzzy parts of the dreams she remembered this place seemed very real to her as real as the life she ordinarily led Even in her eleven year old mind Courtney knew this place could not exist but nonetheless she stood here

It's all Sales - People buy from people Dick Tol, Wim Bouman, 2009-10-20 Dick Tol started writing down his experiences because his friend Wim Bouman noticed the benefits that could be derived by others from Dick's experiences Given Wim's background in Sales it was no surprise that he was able to draw an analogy between Dick's experiences and selling That is why Wim analysed every story and added useful theoretical background information and relevant tools for those who are interested in Sales and who are also convinced that people buy from people It is also relevant to those interested in real life experiences for they will find stories they can relate to and may even benefit from in a business setting but also in their private lives
