**A KEY TO THE KINGDOM** Robert A. Pascoe, 2008-03-29 To be able to understand the fullness of a spiritual revelation received by someone it is essential that we know something about the recipient and the need that required the Holy Spirit to release eternal information that would evoke empowerment and unlock a kingdom mystery Paul was a man called by God however before God openly challenged that call Paul's relationship with the Lord was one of the mind Saul of Tarsus was a diligent and persistent man of the church who believed that he was doing the will of God by hunting down Christians and bringing them into captivity It is obvious that through his diligent efforts and the tenacity in which he pursued his convictions that he was a sincere threat to the true plan of God which had been administered to the disciples Paul was not demonically driven he was deceived by the words of those he revered in the church and by his social environment We can see however that he was a man of intense thought and dedication This was revealed to us when he perceived that he was sent by God as a messenger to remove heretics in the church Paul goes to the church with his plan his vision and for permission to pursue and eliminate the message of Christianity by imprisoning those who propagated or followed this false teaching After receiving the blessing and validation of his plan by the church Paul aggressively formed a plan to accomplish his mission He knew those professing Christianity were not known to be violent He knew they were known as a people of peace and would not resist if they were to be arrested So he assembled a team of handpicked individuals who wanted to assist in achieving this goal either by their delegated authority from church and state or by force We know that it was Paul's intention to arrest and bring the accused to a public trial without excessive violence unfortunately there were those with him who did not share this view We learn this as we see the stoning of Stephen in Acts 7:58 and Saul does nothing to stop it Acts 8:1 tells us that Saul was consenting or in agreement of his death The word consenting in the Greek *suneudokeo* also meant that he was pleased This act of murder launches a great persecution on the church The assault goes from the street to the home and they begin to enter into every house dragging off to prison any who believed or confessed Christianity This was the turning point of his original plan we now see his deception being demonically enhanced There are no more rules and his act of civil or warped spiritual duty turned to anger and rage We see this clearly in Acts 9:1 And Saul yet breathing out threatening and slaughter against the disciples of the Lord went to the high priest The Greek word for slaughter is *phonos* which means murder or death Saul went to the high priest who is the chief priest or that of the highest order of the church to gain further support by having him document in writing his validation of his quest Words can be appealed and restated however once something is in writing it becomes the written word and enforceable to its letter Saul now took the written word from the highest order of the church to pursue and eliminate the living Word an impossible task

that he would soon realize Just as it is today be assured that word traveled fast There was already a spread of fear and even the disciples were afraid of Saul after his conversion See Acts 9 26 Now Paul retained and possessed letters of permission from the highest order to arrest or kill those professing Christ The letters may have only contained the right to imprison the followers of Christ however the church and the high priests knew of Saul s havocs and threats of slaughter to those of the Christian faith They had supported the crucifixion and the death or slaughter of Jesus Isaiah 53 7 and Acts 8 32 He was oppressed and afflicted yet He opened not his mouth **The Keys to the Kingdom** Baron Stepney,2016-04-29 Baron and Rob arrived at Butner Federal Correctional Institution on the same day They soon discovered that they were both Christians with a passionate zeal for the things of God They began spending a lot of time together in the word of God They experienced a higher quality and caliber of revelation than they ever had individually Just as Jesus sent His disciples apostles out by twos Baron and Rob were sent on a specific commission The message word and ministry was simple Love The Body of Christ was being called higher but this spiritual reformation could only take place upon a solid foundation of love Each chapter depicting an experience on Baron and Robs journey is followed by a chapter of revelation they received or a kingdom key This book is not for comfortable or complacent Christians but for true disciples who yearn for Gods kingdom to come Also for His will to be done through them on earth as it is in heaven The Keys To The Kingdom Book One Love is autobiographical spiritually full of impact and the first of a trilogy chronicling a tow year period of illumination inspiration training and kingdom service

**Keys To The Kingdom: Learn How They Work** Reverend Maria Goldstein,2017-03-21 Life changing revolutionary eye opening and biblically sound I encourage everyone to get this book and don t put it down until you have read it through and through so that the revelation contained in this book will have its life changing effect with you like it had with me Dr Ted Rose Chairman of the United States National Prayer Council Eight Keys To the Kingdom Learn How They Work is the definitive book on understanding the keys to The Kingdom of Heaven and how to connect them from your spirit soul and body into the Glory Realm which is the manifest presence of God The sons and daughters of The Most High God are not meant to live with the same struggles dysfunctions sickness limitations and brokenness as the children of darkness For far too long

many of God's people have settled for the mundane. They have not taken their place as the heirs and partakers of God's divine nature. This must break the heart of God since He tells us that it's His good pleasure to give us the Kingdom. Many have not been taught the keys that will unlock the gates into the supernatural fullness of who they are in Christ. Unfortunately, people have perished for lack of God's wisdom. Believers must understand what Jesus meant when he said, "I'm in the Father, my Father is in me, I'm in you, and you're in me." In Matthew 4:17, Jesus said, "Repent, for the kingdom of heaven is at hand." These ancient keys are for such a time as this. Learn them, and they will unlock the revelation of the Kingdom of Heaven within. It's time to live your life on earth as it is designed for you in heaven. **Keys to the Kingdom** Deviant Ollam, 2012-09-24

Lockpicking has become a popular topic with many in the security community. While many have chosen to learn the fine art of opening locks without keys, few people explore the fascinating methods of attack that are possible WITH keys. **Keys to the Kingdom** addresses the topics of impressioning, master key, escalation, skeleton keys, and bumping attacks that go well beyond any treatment of these topics in the author's previous book, *Practical Lock Picking*. This material is all new and focuses on locks currently in use as well as ones that have recently emerged on the market. Hackers and pen testers or persons tasked with defending their infrastructure and property from invasion will find these techniques uniquely valuable. As with Deviant Ollam's previous book, *Practical Lock Picking*, **Keys to the Kingdom** includes full-color versions of all diagrams and photographs. Check out the companion website which includes instructional videos that provide readers with a full-on training seminar from the author. Excellent companion to Deviant Ollam's *Practical Lock Picking*. Understand the typical failings of common security hardware in order to avoid these weaknesses. Learn advanced methods of physical attack in order to be more successful with penetration testing. Detailed full-color photos in the book make learning easy, and the companion website is filled with invaluable training videos from Dev. **Keys to the Kingdom Revealed** Richard Dunlap, 2019-08-21

This book is about keys to the kingdom that were revealed to me by the Holy Spirit from prophetic dreams and supernatural visions over the past twenty years. These keys include the keys for being filled with the Spirit to bring healing to the body and for deliverance of evil spirits, the keys to spiritual warfare and how to be protected from these evil spirits, the keys to generational curses and the prayer to remove these curses, the keys to the revival of the Christian church and how to maintain revival, and the key to releasing the Holy Spirit's presence in your church service. This book contains revelations from the Holy Spirit in these days for all Christians who want to minister in kingdom power for the healing and deliverance of evil spirits. **The Seven Keys to the Kingdom** Apostle Pinky, 2010-12-13 Have you ever been wrong about anything? Have you ever passionately believed in something only to find out later that you were mistaken all along? It seems that every church teaches something different from that of the next one. They can't all be right, but it's very important to the Lord that we know the truth. Which church teaches it? Do any of them have the full picture? How can we know that we know that what we've always been taught is accurate? The only message that Jesus brought to Earth was that of the Kingdom. It's repeated time

after time in every word that He spoke in every book of the New Testament and foreshadowed in every book of the Old Testament Kingdom relationship is the entire reason that we were created and the only reason that Jesus came to Earth died and rose again Yet most Christians have never heard the message How can this be Because even though it has been right in front of our faces for two thousand years God has kept it hidden from our understanding until now Millions have read this truth and their eyes have been opened and their lives changed It is for our generation to finally understand the scripture This book will change your theology your heart your mind and your life God has taken what we've always thought was Christianity and turned it upside down He is showing the church how that we've had it all backwards Pinky has the gift to articulate the mind blowing scripture truths in an easy to read and hard to put down revelation You've always known in your heart that there has to be something more than going to church Hold on tight This is it All The Keys To The Kingdom Deryel Shawn Clark, 2024-08-19 Liner notations for all the keys to the Kingdom This book represents an attempt describe and explain multidimensional constructed space which is an alternative dimension of earth It is hoped that it will serve as a guide to teach you how to understand and explore this alternate dimension It is a realm of reality designed to confuse you and contain your movement within it Knowledge is power so study all you see and do carefully This should lead to a better understanding of the constructs as well as a better understanding of ghostly phenomena This work is dedicated to the comma victim James Albert Metcalf and to all the other wise silenced voices within the constructs Deryel Shawn Clark B S E D Western Carolina University Class of 1984 Traveled throughout Europe 1980 on University program lifelong resident of Winston Salem NC
