The King Reigns In Zion Promise:

The Promise of Shiloh Joseph L. Lord, 1869 **The Return of the King** Robert Laynton, 2016-01-02 Jesus is coming again as King But what will the Return of the King be like The bible speaks of a thousand year reign of Jesus a Millennium Reign but what is the Millennium Reign Author Robert Laynton takes a fresh look at these themes to present a more grounded and sober look at what the Bible has to say concerning the Return of the King and the Millennium Reign His takes the reader right back to the beginning to trace the development of these themes within the narrative of God s grand plan of creation and of salvation and restoration in the light of humanity s fall into disobedience and condemnation It is a plan that has been enacted in history and is being enacted right now a plan intimately connected with the Jews and with the nation of Israel with events that will affect the whole world in an unprecedented way This book should engage students and believers from both Christian and Judaic traditions as well as anyone who is seriously concerned about these themes The Promise-Plan of God Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible s various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God s plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect The Scriptural Evidence of the Redeemer's Speedy Personal Return and Reign During the Millennium James A. Begg, 1831 **Promised Land: Whose Land? Whose Promise?** Plammoottil Cherian, 2019-06-13 Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God s covenantal promises and blessings to humanity Dr Cherian presents clear evidences that God has no partiality and that Jews Christians Arabs Muslims Hindus and all people are equally called to be the partakers of the Kingdom of God Ishmael was not rejected but he and his generations were abundantly blessed and they have a continuous role to play in the end stages of the world As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land The book presents A complete history of God and humanity **The Promises of Holy Scripture, in Two Series, Also the Titles of Jesus Christ, and of the Church; with a System of Marking the Different Verses.** [By W. John.] , 1843

The Concept of Divine Sovereignty in Micah Colin Semwayo,2019-12-14 We live in a world gone awry Social injustice pervades our societies the poor are disdained despotic leaders and nations seem to control world events and racism and hatred abound Yet while it might appear that evil reigns the sovereign God is in control Such is the message of the book of Micah a text that underscores God s presence in the world righting wrongs delivering the marginalized and restoring the intended order of creation In this careful explication of the minor prophet Dr Semwayo challenges those who would question the text s unity revealing Micah as a powerful theological reflection on the reestablishment of Yahweh s sovereignty on earth Connecting the Zion Davidic traditions to the Abrahamic covenant Semwayo articulates a vision of hope that is as relevant for us in the twenty first century as it was for Micah s original audience **All the Promises of the Bible** Herbert
