became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to imagine the abolition of the monarchy Is it illegal to refuse to assist a police constable Did courts squash people into submission Was cricket against the law Was Dr Frankenstein ever real all these questions and more will be answered in this Volume 3 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 140 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes

On the Way to the Party Ruby (Heppner) Wiebe,2020-03-31 When life happens we all need a little pick me up from time to time This book will remind you that there is a silver lining in every cloud if you look for it In fact sometimes the entire cloud is covered in silver and bling Some of the short stories will produce a smile and a chuckle like the conversation I had with my two year old grandson as he was trying to figure out if Grandma was an idiot or not They may also incite a tear or two perhaps when reading about the houseguest who broke my heart when I realized the deprivation he must have suffered while in a cult His excitement over bologna sandwiches just may melt your heart Experience with me the warmth of family as the young uns steal the show Be encouraged to take up the childish task of tattling again but this time with a twist Let s learn how to focus on the good we see in others and talk about that Enjoy these snack size portions served up to lift your soul as you make your way to the ultimate celebration a k a the party
