The Knave Of Diamonds:

The Knave of Diamonds Ethel May Dell, 2006-07 There came a sudden blare of music from the great ballroom below and the woman who stood alone at an open window on the first floor shrugged her shoulders and shivered a little The night air blew in brisk and cold upon her uncovered neck but except for that slight involuntary shiver she scarcely seemed aware of it The room behind her was brilliantly lighted but empty Some tables had been set for cards but the cards were untouched Either the attractions of the ballroom had remained omnipotent or no one had penetrated to this refuge of the bored no one save this tall and stately woman robed in shimmering iridescent green who stood with her face to the night breathing the chill air as one who had been on the verge of suffocation It was evidently she who had flung up the window Her gloved hands leaned upon the woodwork on each side of it There was a certain constraint in her whole attitude a tension that was subtly evident in every graceful line Her head was slightly bent as though she intently watched or listened for something **The Knave of Diamonds** Dell Ethel M (Ethel May), 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Knave of Diamonds** Ethel May Dell, 1913 The Knave of Diamonds Ethel M. King, 2025-06-10 Mary Russell s allegiances are tested by the reappearance of her long lost uncle and a tantalizing case not even Sherlock Holmes could solve When Mary Russell was a child she adored her black sheep Uncle Jake But she hasn t heard from him in many years and she assumed

that his never do well ways had brought him to a bad end somewhere until he presents himself at her Sussex door Yes Jake is back and with a load of problems for his clever niece Not the least of which is the reason the family rejected him in the first place He was involved somehow in the infamous disappearance of the Irish Crown Jewels from an impregnable safe in Dublin Castle It was a theft that shook a government enraged a king threatened the English establishment and baffled not only the Dublin police and Scotland Yard but Sherlock Holmes himself And now Jake expects Russell to step into the middle of it all To slip away with him not telling Holmes what she's up to Knowing that the theft unsolved hushed up scandalous must have involved Mycroft Holmes as well Naturally she can do nothing of the sort Siding with her uncle even briefly could only place her in opposition to both her husband partner and his secretive and powerful brother She has to tell Jake no On the other hand this is Jake her father's kid brother her childhood hero the beloved and long lost survivor of a much diminished family Conflicting loyalties and international secrets blatant lies and blithe deceptions sounds like another case for Mary Russell and Sherlock Holmes
