Modern Greek Lessons James D. Faubion, 1993 Through a blend of lively detail and elegant narration James Faubion immerses us in the cosmopolitan intellectual life of Athens a centerless city of multiplicities and fragmentations a city on the margins of Europe recovering from the repressive rule of a military junta Drawing inspiration from Athens and its cultural elite Faubion explores the meaning of modernity finding it not in the singular character of Western civilization but instead in an increasingly diverse family of practices of reform

Ancient Economies of the Northern Aegean Zosia Halina Archibald, 2013-11-21 The south eastern tip of continental Europe was a major focus of creative energy in the second half of the first millennium BC As the bridgehead between Europe Asia and the Mediterranean the lands that corresponded to northern Greece Bulgaria and the European parts of Turkey became a focus of interest for a variety of external powers keen to benefit from this region's burgeoning wealth While the ancient kingdoms of Macedon and Thrace were thought of as fringe areas of the Mediterranean they became rich and successful partly by exploiting the region's mineral wealth and timber and from the effective herding of livestock In economic terms these land based states were strongly connected to the maritime powers of central and southern Greece and with areas far beyond the

Aegean Using the most up to date methods and theories about ancient economies Archibald explores the cultural and economic dynamics of a region that continues to reveal unexpected dimensions of Classical antiquity **The Routledge Companion to the Crusades** Peter Lock,2013-04-15 A compilation of facts figures maps family trees summaries of the major crusades and their historiography the Routledge Companion to the Crusades spans a broad chronological range from the eleventh to the eighteenth century and gives a chronological framework and context for modern research on the crusading movement Not just a history of the Crusades but an overview of the logistical economic social and biographical history this is a core text for students of history and religious studies **Falling Toward Grace** J. Kent Calder,Susan Neville,1998 a literary pilgrimage as well as a spiritual one Indianapolis Star a powerful statement about the religious diversity of America an indispensable volume National Catholic Reporter The more mobile and rootless and virtual we become as a culture the more we long for vital connections to the places in which we find ourselves The editors photographers poets and writers in this volume have sought to grapple with the issue of place and spirit in a typical American city at the end of the 20th century Indianapolis Indiana They focus on the connections or lack thereof between the seen and the unseen in a place historically significant for its typicality **Ethno Identity Dance for Sex, Fun and Profit** Anthony Shay,2016-08-30 People all over the world dance traditional and popular dances that have been staged for purposes of representing specific national and ethnic groups Anthony Shay suggests these staged dance productions be called ethno identity dances especially to replace the term folk dance which Shay suggests should refer to the traditional dances found in village settings as an organic part of village and tribal life Shay investigates the many motives that impel people to dance in these staged productions dancing for sex or dancing sexy dances dancing for fun and recreation dancing for profit such as dancing for tourists dancing for the nation or to demonstrate ethnic pride In this study Shay also examines belly dance Zorba Dancing in Greek nightclubs and restaurants Tango Hula Irish step dancing and Ukrainian dancing *Tespih* Deniz Gürsoy,2006 Choreographing Identities Anthony Shay,2014-01-10 Throughout its history the United States has become a new home for thousands of immigrants all of whom have brought their own traditions and expressions of ethnicity Not least among these customs are folk dances which over time have become visual representations of cultural identity Naturally however these dances have not existed in a vacuum They have changed in part as a response to ever changing social identities and in part as a reaction to deliberate manipulations by those within as well as outside of a particular culture Compiled in great part from the author s own personal dance experience this volume looks at how various cultures use dance as a visual representation of their identity and how traditional dances change over time It discusses several parallel layers of dance dances performed at intra cultural social occasions dances used for representation or presentation and folk dance performances Individual chapters center on various immigrant cultures Chiefly the work focuses on cultural representation and how it is sometimes manipulated Key folk dance festivals in the United States and Canada are reviewed Interviews with
