The Korean Conflict Search For Unification:

The Korean Conflict Mahavir Prasad Srivastava,1982 *The Korean Conflict* ,1982 *The Korean War* Paul Edwards,2003-01-09 This historical dictionary of the Korean War is designed to provide brief but helpful information about all aspects of the war including units involved the United Nations political and military actions significant sites and operations and weapons use **The Korean War** Stanley Sandler,2014-01-14 First major clash with a communist army The Korean War was America s first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included *Historical Dictionary of the Korean War* Paul M. Edwards,2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography *International Conflict in the Asia-Pacific* Jacob Bercovitch,Mikio Oishi,2010-06-23 This book analyses four major long standing and intractable conflicts in the Asia Pacific region the Korean Peninsula the Taiwan Strait the South China Sea Spratly Islands and India Pakistan and aims to

identify the mechanisms used to manage these conflicts International Conflict in the Asia Pacific brings together in one volume four major international conflicts that have shaped the region and studies how they evolved and how best to manage them The book seeks to find a pattern common to the four conflicts and their management as well as taking note of variations among them hereby aiming to establish what might be called the Asia Pacific way of managing intractable conflicts This book will of much interest to students of international conflict management Asian politics security studies and IR in general Jacob Bercovitch is Professor of International Relations in the Political Science Department at the University of Canterbury in New Zealand Widely regarded as one of the most influential scholars in the field of international conflict resolution he is author of more than 15 books and numerous articles Mikio Oishi is a Visiting Fellow with the National Centre for Peace and Conflict Studies NCPACS University of Otago and a Research Fellow with Political Science Programme of University of Canterbury

A Revolutionary War Elwood L. White, United States Air Force Academy. Library, 1992 **Regional Guide to International Conflict and Management from 1945 to 2003** Jacob Bercovitch, Judith Fretter, 2004-11-23 Regional Guide to International Conflict Management from 1945 to 2003 provides global regional and specific information on the over 350 international conflicts that have occurred since World War II At the heart of the book are comprehensive regional sections each of which includes An essay providing regional context and highlighting the interrelation of countries and conflict in that area Summaries of each conflict in the region arranged chronologically and covering history circumstances players management and outcome References for further research Introductory chapters examine global patterns and trends in international conflict and how conflict is managed including ethnic conflict and the expanded role of the United Nations Tables figures maps and a comprehensive index round out this valuable resource Regional Guide to International Conflict and Management from 1945 to 2003 gives readers the tools and content necessary for understanding and analyzing international conflict in today s world Perfect for political science comparative government politics international relations and world history programs **The Korean Armistice** Sydney D Bailey, 1992-07-13 Little is known by practitioners or academics about the dynamics of war termination This book describes the negotiation and implementation of the armistice following the Korean war and the Korean phase of the Geneva conference 1954 It also analyzes some of the problems of coalition diplomacy It thus foreshadows some of the problems that were encountered in conducting a UN authorized war in the Gulf and in the problems of negotiating a secure peace A Century of Crisis and Conflict in the International System Michael Brecher, 2017-07-25 This book is designed to present a fully developed theory of international crisis and conflict along with substantial evidence of these two closely related phenomena The book begins with a discussion of these topics at a theoretical level defining and elaborating on core concepts international crisis interstate conflict severity and impact This is followed by a discussion of the international system along with two significant illustrations the Berlin Blockade crisis 1948 and the India Pakistan crisis over Kashmir 1965 66 The book then presents a unified model of crisis focusing on the four

phases of an international crisis which incorporate the four periods of foreign policy crises for individual states Findings from thirteen conflicts representing six regional clusters are then analyzed concluding with a set of hypotheses and evidence on conflict onset persistence and resolution **North Korea, International Law and the Dual Crises** Morse Tan,2015-04-24

The Democratic People's Republic of Korea DPRK has a reputation as one of the worst human rights situations in the world This book utilizes a unique international law perspective to examine the actions and inactions of North Korea with regard to international security and human rights Adopting political military historical and legal perspectives the book explores how the two issues of nuclear weapons and the human rights abuses in North Korea are interconnected and why the international community should apply the same international law framework to find a solution for both Drawing on eyewitness accounts such as refugee and defector testimony Morse Tan offers a real life story of North Korea that covers the pertinent law and constructive approaches of its regime Tan examines the specific objectives and actions of the North Korean government and measures these according to international legal obligations such as applicable treaty law jus cogens norms and customary international law The book concludes by offering solutions for dealing with international security surrounding the Korean Peninsula and forwards a proposal for the creation of a tribunal to prosecute those at the top of the regime for international crimes and human rights abuses As a project exploring the extremes of international law violation this book will be of great interest and use to readers interested in the history and political and legal implications of the strategies employed by the North Korea government The Statesman's Yearbook: 1991-92 NA NA,2016-12-29 The classic reference work that

provides annually updated information on the countries of the world The Statesman's Year-Book 1985-86 J. Paxton,2016-12-27 The classic reference work that provides annually updated information on the countries of the world

Special Bibliography Series United States Air Force Academy. Library,1992 **The US-DPRK Peace Treaty: A Commentary** Eric Yong Joong Lee,Ridoan Karim,2022-09-21 This book delivers an in depth analysis of the US DPRK Peace Treaty which will be concluded as a final result of the Korean Peninsula peace process that is currently ongoing Since North Korea launched its nuclear weapons development program in the early 1990s the Korean peninsula has become a critical point of global politics along with the Sino American G2 hegemonic competition The US DPRK Peace Treaty is the key to the denuclearization and de jure peace on the peninsula as well as Northeast Asia Different from the comprehensive peace treaty between the four parties US China and the two Koreas already proposed for the past few years the book suggests a bilateral approach to the agreement between the US and the DPRK which will trigger the peace as a system considering the US's practices in this regard after 1783 Such a challenging and provocative method provides deeper understanding of the legal and political circumstances for the expected US DPRK Peace Treaty The book will navigate scholars practitioners and students towards terminating the 1953 Armistice establishing nuclear peace as well as a rapprochement between the two countries In practice it will be a useful guideline for the conflicting parties in the various parts of the globe to adopt peace

treaties in the twenty first century *The Statesman's Year-Book 1988-89* J. Paxton,2016-12-16 The classic reference work that provides annually updated information on the countries of the world **The Statesman's Year-Book 1989-90** J.

Paxton,2016-12-28 The classic reference work that provides annually updated information on the countries of the world

The Statesman's Year-Book 1984-85 J. Paxton,2016-12-15 The classic reference work that provides annually updated information on the countries of the world **The Statesman's Year-Book Historical Companion** John Paxton,1988-09-19

The Statesman s Year Book Historical Companion is a companion to The Statesman s Year Book to celebrate 125 years of annual publication giving histories of countries provinces and states from the 19th century and also acting as a name change

gazetteer **Special Bibliography Series** ,1957
