The Last Apostle:

All the Apostles of the Bible Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world Apostles Today Benji G. McNair Scott, 2014-06-02 Are apostles amongst us today According to a growing section of the church the answer is yes This book investigates and appraises that idea seeking answers to the following questions in the context of the church in the USA and particularly Britain Is there a robust scriptural justification for the charismatic apostolate CA that most charismatic groups are proclaiming How widespread is this belief and why has it become more commonplace What kind of apostles are being advocated by influential popular teachers What does church history and tradition have to offer to this idea Is there a way to endorse and embrace ecumenically the CA Does the CA have a future in the universal church These are important questions to answer for the sake of the church s mission and health Gold Tried in the Fire Greg Hinnant, 2024-05-02 I counsel thee to buy of me gold tried in the fire that thou mayest be rich Revelation 3 18 Jesus calls us to a great quest for spiritual riches specifically gold tried in the fire faith in God and knowledge of God refined and proven in challenging intense life tests We buy it by trusting and obeying God s Word and Spirit in our trials of faith and patience Gold Tried in The Fire offers proven biblical gold ready for purchase in these trying times The more we buy the richer we become not in precious metals but precious faith and knowledge of God not in time only but also eternity Like earthly gold spiritual gold is priceless enduring fireproof enduring even the hottest tests Our destiny is to not only buy but also become gold tried in the fire As we overcome we grow increasingly golden priceless to God enduring fireproof In our hottest crucibles we confess with Job When he tests me I will come out as pure as gold Job 23 10 NLT **1 Corinthians (Understanding the Bible Commentary Series)** Marion L. Soards, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **The Apostolic Offices of the Five Fold Ministries** Josue Rodriguez, 2012-05-09 At this time and age God is in the middle of transitioning and doing remarkable things The moving and restoration of the five fold ministries have and are coming into place in the churches all around the world Jesus has chosen five specific ministries in which he wants to establish his kingdom according to Ephesians 4 11 but many refuse to recognize His strategy They say that it s not for today but careful attention to scripture helps us unlock that it is for today and that there is a great purpose in his strategy Pastor Josue Rodriguez dives into why these five fold ministries of the apostles prophets evangelists pastors and teachers are for today He will also enrich your understanding of how crucial it is to unlock

the strategy of Jesus in moving His Heavenly Kingdom into this natural kingdom Quest for the Historical Apostles W. Brian Shelton, 2018-04-17 The stories and contributions of the apostles provide an important entrance into church history This comprehensive historical and literary introduction uncovers their lives and legacies underscoring the apostles impact on the growth of the early church The author collects and distills the histories legends symbols and iconography of the original twelve and locates figures such as Paul Peter and John in the broader context of the history of the apostles He also explores the continuing story of the gospel mission and the twelve disciples beyond the New Testament **You Can Believe the Bible** Willis C. Newman, 2010-06-15 This book is a compact overview of the Bible It is more a book on what the Bible is rather than what the Bible says We live in a day when this great Book is considered a relic of the past irrelevant or in some cases a danger to society This book is designed to give the reader an overview of the nature of the Bible and its place in society Many reasons based on solid evidence are listed demonstrating why we can take the Bible at face value Our objective of this work is to challenge the non believer to take the Bible seriously and to give a boldness and confidence to the believer We can proclaim the Bible with assurance that it is truth from God to the human race We can trust the Bible with decisions in our own personal life It is a Book that we can use to form the foundation of our life family society and nation *The Mystery of Joy* Peter Kreeft, 2025-01-16 Joy we look for it long for it and spend our lives chasing it Yet do we really know what it is Is it a feeling a state of mind or a reward for success Do we know where to find it The more we seek it the more it eludes us Yet joy is real Joy writes philosopher Peter Kreeft is a mystery It is bigger than we are Joy s secret however is that it cannot be reached or found but only given True joy is God Himself who giving Himself takes us outside ourselves across valleys of loss and mountains of triumph This lucid witty reflection on the true nature of joy convinces us page after page that while sorrow is inevitable joy is very very near at hand It s scandalously simple Kreeft reveals There s no method you just do it To do joy we must let go of all fake happiness all false gods We must return over and over to the one true Joy who is the Way the Truth and the Life Drawing from the wisdom of C S Lewis and Saint Thomas Aquinas this instant classic by self proclaimed curmudgeon Peter Kreeft walks us through the long beautiful task of surrendering to deep joy the chief work of any life worth living **Confirmed Catholic** Tracy Finke, *A Treatise of the Nature of a Minister, in all its offices.
