**Eden's Last Child** Njoki Kamau, 2014-12-11 David Mwangi is young, handsome, and intelligent—the kind of son any mother would be very proud of. His smile, however, hides a sad secret that keeps him running from friends and the comfort of family life. David's fears come to a head when his friend is killed in a homophobic attack. Terrified, he flies to Britain, hoping for a better life in a free and fair society. His problems, however, follow him across the ocean. As his secret life is unveiled, his family is thrown into turmoil as they try to come to terms with this devastating turn of events. David's mother rushes to London to rescue him from what she believes to be a fate worse than death. In the midst of the dramatic events that follow, David ends up in hospital in a critical condition while his family disintegrates in an emotional roller coaster of guilt, accusations, frustration, and pain. Will they all find the courage to confront their fears and find love once again?
