Along the Enchanted Way William

Blacker,2010-10-28 Chosen for the Duchess of Cornwall s online book club The Reading Room by HRH The Prince of Wales When William Blacker first crossed the snow bound passes of northern Romania he stumbled upon an almost medieval world There for many years he lived side by side with the country people a life ruled by the slow cycle of the seasons far away from the frantic rush of the modern world In spring as the pear trees blossomed he ploughed with horses in summer he scythed the hay meadows and in the freezing winters gathered wood by sleigh from the forest From sheepfolds harried by wolves to courting expeditions in the snow he experienced the traditional way of life to the full and became accepted into a community who treated him as one of their own But Blacker was also intrigued by the Gypsies those dark foot loose strangers of spell binding allure who he saw passing through the village Locals warned him to stay clear but he fell in love and there followed a bitter struggle Change is now coming to rural Romania and William Blacker s adventures will soon be part of its history From his early carefree days tramping the hills of Transylvania to the book s poignant ending Along the Enchanted Way transports us back to a magical country world most of us thought had vanished long ago

is called away to join King Arthurs round table Estrella must assume command of her kingdom and family Confident and obedient she accepts the task but soon realizes the responsibility is much too big for one princess to handle alone Estrella is suddenly called away on her own quest by the Lord God Almighty to seek friends and help those in need Leaving in the night she abandons her family as well as the life shes always known for the wide world beyond her kingdom walls Once in the real world however she discovers that there is much to see and do and her spark for adventure is born She finds friends in unlikely places and meets strange creatures some good some bad and some only believed to exist in myth and legend Estrella faces many challenges along the way but she comes to learn that every experience teaches something On this mad journey will she grow into the strong woman she must be to rule a kingdom or will she wander forever *Remember me* Martin Federico Mastrovita Viladrich, M. F. Masvil, 2018-11-19 Armony Heart is a successful violinist She s young beautiful but lonely Her soul suffers although she tries to hide it And it is precisely her soul that has been sought for years even before she was born by a dark group of people very powerful and who will stop at nothing until they find her However they are not the only ones who want to find her Armony will also have an ally a protector someone who will not hesitate to risk his own life in order to save hers Armony will soon learn that in our existence there are forces that are far beyond what our senses perceive She will find out that she was not as lonely in the world as she thought She will prove that death is not the end she believed Is life really leaving us alone or who died are closer than we think Will we ever be together again or will we never meet again Is death the end or is it just the beginning of a new life We all have a destiny and nobody can flee from it It does not matter how many lives we try Remember me An exciting adventure that will cross countries and continents A story in which past lives will merge with the present and in which the border that separates life from death will disappear and that will make you rethink the same functioning of your own existence Get ready Because Remember me will be a story you will never forget
