Falling in love is not a very frequent thing Sometimes we just take mere attractions as love And such considerations have no future come what may Before you decide anything just listen to your heart first Can t we wait for the right person why cannot you keep that feeling special only for him It is certain that he has to become a part of your life all we need is to give some time to our relationships Once you are in love nothing on this earth can make you change your mind As it s not the mind but our heart that comes up and takes the decision Love is when you don t know why you seem to be attracted to that person I believe there is a reason for it but the reason is still unknown      **The Last Apple on the Tree** Marjorie Ferrell

Kitch,2014-10-29 It is 1934 and Mary Elizabeth Barrett is the youngest of four growing up in Benkleman Kansas In a town where there are few secrets it is quite a surprise when her father George uses his wife s jelly making money to buy a secondhand touring car and announces they are moving to California Despite his wife Ruth s protests the touring car is packed in a week s time Whether they like it or not the family is on their way to a new beginning Five days later after the family stops in Minton Colorado for lunch Mary Elizabeth s father hops in the old touring car and tells them he will be right back While the sun lowers in the sky Ruth finds a note from George in her pocketbook telling her that although he has decided to head to California alone he will be back to get them all eventually With just over one hundred dollars to their name Ruth and her four children make a decision they will stay in Minton As Mary Elizabeth and her family begin anew they soon realize that happiness comes in the simplest of moments as they learn to look at challenges as stepping stones and face the harsh reality that George may never return The Last Apple on the Tree is a story of trials perseverance and family togetherness as a mother and her four children find beauty in their own little garden of life      **The Last Effort of Dreams**

Francesco Loriggio,2007-11-16 When Pier Giorgio Di Cicco first appeared on the Canadian literary scene in the early 1980s he was immediately recognized as one of the most compelling voices of his generation The Last Effort of Dreams is the first critical collection on Pier Giorgio Di Cicco and traces the steps of his career from different perspectives The contributors fellow poets and academics alike ponder Di Cicco s poetry in diverse ways through reminiscence by taking stock and by focusing on individual texts and specific themes What emerges is an intriguing composite picture of Di Cicco s complex and unique identikit The volume includes both scholarly analysis and testimonials by individuals who lived the literary history of which Di Cicco is a part The inclusion of a bibliography of Di Cicco s publications and of those about him makes this book a valuable tool for anyone approaching his works for the first time and anyone interested in contemporary North American minority literatures or contemporary Canadian literature      True to the Last; Or, Alone on a Wide, Wide Sea Azel Stevens
