Zen : The Art Of Enlightenment Osho,2005 *Bauls : The Seekers Of The Path* Osho, Sexuality and New Religious Movements J. Lewis,2016-01-12 Issues relating to sexuality eroticism and gender are often connected to religious beliefs and practices but also to prejudices against and fear of religious groups that adopt alternative approaches to sexuality This is especially apparent in connection with new religious movements which many times find themselves accused by the media and anti cultists of promoting illicit and controversial views on sexuality This anthology aims to critically investigate the role of sexuality in a number of new religious movements including Mormon fundamentalist communities the Branch Davidians the Osho movement the Rael movement contemporary Wicca and Satanism in addition to the teachings of Adidam and Gurdjieff on sexuality **A Taste of The Divine** Osho, **Nirvana : The Last Nightmare** Osho,2004 Spontaneous talks given by the author in Chang Tzu Auditorium Pune India I Say Unto You - Vol. II Osho,2022-06-22 What if Jesus were not a supernatural being conceived by a virgin but a real human being who had experienced the awakening of consciousness known as enlightenment in the East This extraordinary line by line commentary on some of the best known Gospels from the New Testament tests the hypothesis that Jesus was a mystic not a miracle worker And convincingly makes the case that the stories of his life were never meant to be a factual record of history but rather are teaching parables designed to provide ongoing spiritual guidance for generations to come I will speak on Christ but not on Christianity Christianity has nothing to do with Christ In fact Christianity is anti Christ just as Buddhism is anti Buddha and Jainism anti Mahavir Christ has something in him which cannot be organized The very nature of it is rebellion and a rebellion cannot be organized The moment you organize it you kill it Then the dead corpse remains You can worship it but you cannot be transformed by it You can carry the load for centuries and centuries but it will only burden you it will not liberate you That's why from the beginning let it be absolutely clear I am all for Christ but not even a small part of me is for Christianity If you want Christ you have to go beyond Christianity If you cling too much to Christianity you will not be able to understand Christ Christ is beyond all churches **The Psychology Of The Esoteric** Osho,2022-03-30 There are two types of evolution collective evolution and individual conscious evolution Evolution implies unconscious collective progress so it would be better to use the word revolution in talking about man With man revolution becomes possible Revolution as I am using the word here means a conscious individual effort toward evolution It is bringing individual responsibility to a peak Only you are responsible for your own evolution **The Alchemy of Enlightenment** Osho, **A Songh Without Words** Osho, **Zorba the Buddha** Hugh B. Urban,2016-01-12 Zorba the Buddha is the first comprehensive study of the life teachings and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho 1931 1990 Most Americans today remember him only as the sex guru and the Rolls Royce guru who built a hugely successful but scandal ridden utopian community in central Oregon during the 1980s Yet Osho was arguably the first truly global guru

of the twentieth century creating a large transnational movement that traced a complex global circuit from post Independence India of the 1960s to Reagan's America of the 1980s and back to a developing new India in the 1990s The Osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order Based on extensive ethnographic and archival research Hugh Urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization
